Price conditions ^{(1) (2)} : market price
 best limit price
 limited price of _____ €

Validity period ⁽³⁾ : _____

Place _____ date _____

Signature ⁽⁴⁾

INCOMPLET OR INACCURATE FORMS CANNOT BE EXECUTED

⁽¹⁾ Tick the appropriate box.

⁽²⁾ types of orders :

Market price order: This order does not have any price limits. It is executed at the best price available serving as many limits as necessary on the market sheet until the order is fulfilled.

Best limit price order: It does not have a specific price limit and it is executed at the best available price for buying or selling when it reaches the market.

Limited price order: A limited price order sets a maximum price to buy and a minimum price to sell shares. The order is only executed when the market price is lower than its price limit to buy or higher than its price limit to sell.

⁽³⁾ Unless stated otherwise, orders are automatically valid until the end of the calendar month, but may be canceled during the validity period by contacting Air Liquide Shareholder Services.
