Third resolution (*Appropriation of 2010 earnings and setting of the dividend*)

The shareholders, deliberating according to the quorum and majority required for Ordinary Shareholders' Meetings, after having noted that, considering the fiscal year 2010 earnings of 822,246,186 euros, the allocation of 10,912,406 euros to the legal reserve, and the retained earnings of 587,732,122 euros as of December 31, 2010, distributable earnings for the year total 1,399,065,902 euros, approve the proposals of the Board of Directors regarding the appropriation of earnings. The shareholders hereby decide to appropriate distributable earnings as follows:

| | |
|---|-------------------|
| Retained earnings | 714,896,124 euros |
| Dividend (including the loyalty dividend) | 684,169,778 euros |

Hence, a dividend of 2.35 euros shall be paid on each of the shares conferring entitlement to a dividend, it being specified that in the event of a change in the number of shares conferring entitlement to a dividend compared to the 284,095,093 shares making up the share capital as of December 31, 2010, the overall dividend amount would be adjusted accordingly and the amount appropriated to the "Retained earnings" account would be determined on the basis of the dividend effectively paid.

The dividend payment date will be set for May 16, 2011:

- for directly registered shares: directly by the Company, based on the means of payment indicated by the holders;
- for indirectly registered shares, as well as for bearer shares which are registered in shareholder accounts: by the authorized intermediaries to whom the management of these shares has been entrusted.

The dividend distributions made with respect to the last three fiscal years are as follows:

| | Total amount distributed (a) <i>(in euros)</i> | Number of shares concerned (b) | Dividend distributed in its entirety eligible for the 40% allowance referred to in article 158.3.2° of the French Tax Code <i>(in euros)</i> |

| Ordinary dividend | 587,075,283 | 260,922,348 | 2.25 |
| Loyalty dividend | 14,953,289 | 67,969,494 | 0.22 |
| | | | |
| 2009 | | | |
| Ordinary dividend | 594,572,297 | 264,254,354 | 2.25 |
| Loyalty dividend | 14,579,274 | 66,269,428 | 0.22 |

(a) Theoretical values calculated based on the number of shares as of December 31 for each fiscal year.

(b) Number of shares expressed historically as of December 31 for each fiscal year. The amounts paid after adjustment were as follows:

- fiscal year 2007: 543,902,599 euros for 235,958,155 shares.

- fiscal year 2008: 602,950,665 euros for 261,657,353 shares.

- fiscal year 2009: 606,804,564 euros for 263,543,383 shares.

The adjustment arises from the existence of treasury shares, from the final determination of the loyalty dividend taking into account shares sold between January 1st and the dividend ex-date, and from the exercise of options and (in 2009) the share capital increase reserved for employees, carried out over this same period.

Pursuant to the provisions of the articles of association, a loyalty dividend of 10%, i.e. 0.23 euros per share with a par value of 5.50 euros, shall be granted to shares which have been held in registered form since December 31, 2008, and which shall remain held in this form continuously until May 16, 2011, the dividend payment date.

In accordance with the provisions of Article 243 bis of the French Tax Code, it is specified that the ordinary and loyalty dividends are also in their entirety eligible for the 40% allowance referred to in section 2° of paragraph 3 of Article 158 of the aforementioned code.

The amount of the loyalty dividend, for the 71,940,478 shares which have been held in registered form since December 31, 2008, and which remained held in this form continuously until December 31, 2010, totaled 16,546,310 euros.

The total loyalty dividend corresponding to those shares out of the aforementioned 71,940,478 shares that will have been sold between January 1, 2011 and May 16, 2011, the dividend payment date, shall be deducted from such amount.
