

Alphagaz™ is Air Liquide's premium brand of specialty gases for analytical applications. The offer features a complete yet simple range of the most commonly requested pure gases and mixtures, guarantee high accuracy and repeatability to analysis

WHY ALPHAGAZ™ ?

OUR ALPHAGAZ™

ALPHAGAZ™	ALPHAGAZ™ 1 For the accuracy of analysis ranging from % to ppm	ALPHAGAZ™ 2 For the accuracy of analysis ranging from ppm to ppb
Ar - Air - He - H2 - N2	H2O < 2 ppm O2 < 2 ppm* CnHm < 0.5 ppm CO < 0.5 ppm CO2 < 0.5 ppm	H2O < 0.5 ppm O2 < 0.1 ppm* CnHm < 0.1 ppm CO < 0.1 ppm CO2 < 0.1 ppm H2 < 0.1 ppm
CO2 - N2O - C2H2	Contact us	
Shelf Life	60 months	
*Except for Air		

Gas	Cylinder Size (Liter)	Pressure (bar)	Volume (m3)	Connection (BS)
Air		200	9.7 / 2.9	3
Ar		200	10.5 / 3.1	3
H2		200	9 / 2.7	4
He		200	9.1 / 2.7	3
N2		200	9.5 / 2.9	3

MIXTURE GASES

Air Liquide gas mixture have long been acknowledged worldwide as being definitive standard for calibration accuracy. We offer a complete range of mixture to meet your analytical needs

Traceability guarantee with a batch number per cylinder.

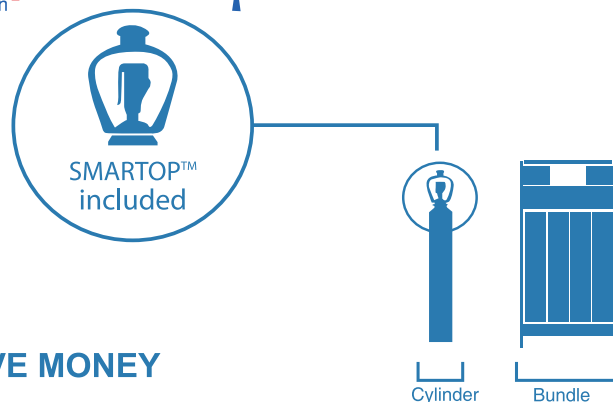

Reliable and short lead time.

Gas	Cylinder Size (Liter)	Connection (BS)	Pressure (Bar)	Volume	Accuracy	Blend Tolerance
Corrosive	108 / 50 / 20 / 11	14 / 15	Subject to your custom request			
Flammable		4				
Inert		3				
Oxidized		3				
Oxyfuel		3 / 4				
Reactive		14 / 15				
Toxic		14 / 15				

SUPPLY MODE

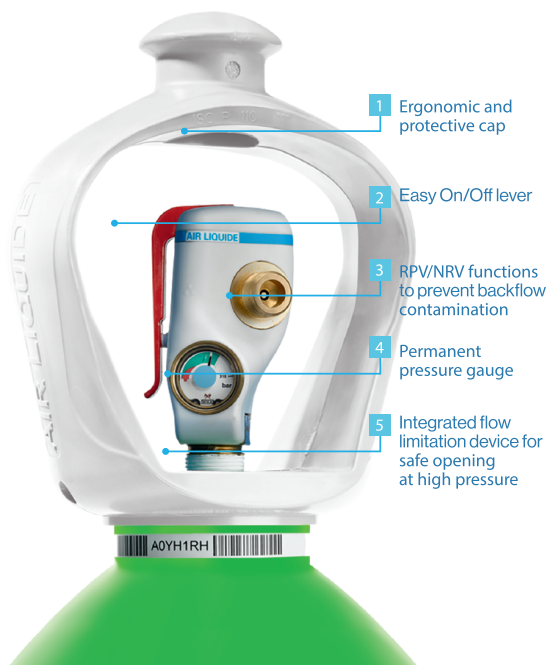

ALPHAGAZ 1 and ALPHAGAZ 2 are available with the best supply mode ensuring safety, quality, consistency and simplicity of use.

✓ **SAVE GAS** ✓ **SAVE TIME** ✓ **SAVE MONEY**

When you choose ALPHAGAZ™, you can be sure you are getting the most reliable and precise products, plus accompanying services to suit your analytical needs in a clear, uncomplicated way, whatever your situation.

ERGONOMIC VALVE FOR ALPHAGAZ™ PURE GASES

USER GUIDE

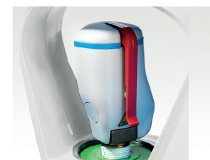

Getting started

- 1 Connect the pressure regulator
- 2 Lift the valve lever

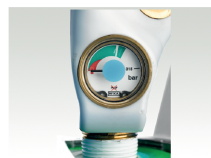

Opening and closing

- 1 Lift lever UP to OPEN valve
- 2 Move lever DOWN to CLOSE valve

Indication of volume

- 1 Full cylinder
- 2 Empty cylinder

PRECISELY SIMPLE
