OPENING THE AIR LIQUIDE DIRECTLY REGISTERED SHARE ACCOUNT

Any legal entity shareholder may hold a share account kept by Air Liquide. The shareholder must be fully capable of carrying out civil matters or be duly represented. Failure to sign an account-keeping agreement does not comply with the AMF's general regulations.

Article L322-67 4 provides that an agreement must be established with the holder of the shares.

This signed account agreement and its supporting documents will allow you to have access to stock market orders online.

SUPPORTING DOCUMENTS TO BE PROVIDED

For the opening of the account, the legal entity account holder undertakes to provide the following supporting documents to the account keeper:

- a recent photocopy of the K-Bis in the name of the company,
- a photocopy of both sides of an **identification document** (identity card, passport) of the company representative indicated on the K-Bis,
- a mandate letter and a photocopy of both sides of an **identification document** (identity card, passport) **of the representative if different from the corporate representative**,
- a **statement of bank account information** (RIB) **in the name of the legal entity**, issued by the bank, indicating the BIC code and the IBAN. This RIB will be used for dividend payments and stock market transactions.

CLOSING THE SHARE ACCOUNT

Closing on the initiative of the account holder: the share account is closed upon receipt of a written request signed by the representative along with a copy of the representative's identification document. The shares are then transferred in France or sold in accordance with the received instructions.

Death of the representative: the death of the representative or the company representative entails a freeze on the account. Any closure of the account occurs once the estate liquidation operations are completed.

PROVIDING INFORMATION TO HOLDERS

Air Liquide makes available to holders an account statement as of December 31 of each year and all their account documents online in their Personal Space.

Holders are informed by e-mail of any new document placed in their online Personal Space at the e-mail address that they have communicated; if no e-mail address is provided or on express request, they are informed by mail.

Air Liquide informs the account holders of each securities transaction, enabling them to exercise the rights attached to the shares in the account where necessary.

If Air Liquide modifies these general terms and conditions, the holders will be informed. If they do not reject the modifications within thirty days, the modifications will be considered accepted.

DIRECTLY REGISTERED STOCK MARKET ORDERS

Transactions are carried out by CACEIS Bank, a public limited company with a board of directors, entered in the Paris trade and companies register (RCS) under number 692 024 722 and whose registered office is located at 1-3, Place Valhubert, 75013 Paris.

The holder may place **buy or sell orders online** from the personal space at www.airliquide.com. For security reasons, Air Liquide will assign an access code (per account) and a temporary password as long as this agreement has been completed and the requested supporting documents have been provided. **Due to the confidentiality resulting from the use of the password, the holder accepts being considered the sole originator of any transmitted order.**

Buy orders placed online, paid for in full by **automatic direct debit or bank card**, and **sell orders placed online** are subject to a **brokerage rate of 0.10% excluding tax**.

Buy or sell orders sent by **mail, e-mail, or telephone** are subject to a brokerage rate of **0.18% excluding tax**. The order must contain the direction of the transaction, the number of shares, and the validity period (maximum of 2 calendar months). If no instructions are provided, orders will be automatically valid until the end of the calendar month, but they may be canceled or modified during this period.

Any written buy or sell order must be accompanied by a photocopy of an identification document.

After the order is executed, the account holders will receive a transaction notice (per account) specifying the execution conditions, fees, and payment terms.

If purchases of shares are not fully paid for by bank card (limited to a total of €3,000 gross) or by bank direct debit (SEPA zone only) and the account does not have enough **shares to cover the amount**, or by bank transfer, a **deposit of 80%** of the amount of the purchases must be sent to Air Liquide by bank transfer (1). The ID must be indicated in the transfer reference. The balance of the purchase price will be due upon receipt of the transaction notice.

If no payment is received for purchases by the deadlines indicated on the transaction notice, Air Liquide may sell all or part of the directly registered shares in the account of the holders.

In the event of a dispute, jurisdiction is conferred on the courts of the location of the registered office of Air Liquide S. A. Whenever it deems it reasonably necessary in view of its obligations, CACEIS Bank may, through Air Liquide, request any explanation and the production of any supporting document from the holders, mainly:

concerning any transactions that appear unusual because of, in particular, their methods, amount, or exceptional nature compared with those previously processed by the holders;

concerning the source of the funds used to purchase directly registered shares;

concerning the true identity of the persons for whose benefit the account is opened, if it appears that the holder(s) might not act on their own behalf, subject to the application of the special rules of the legislative framework governing registered intermediaries within the meaning of Article L 228-1 of the French commercial code.

FEES

The directly registered share account is managed **free of charge without custody fees**.

Only brokerage fees of **0.10% excluding tax or 0.18% excluding tax** (depending on the order placement and payment methods) of the gross transaction amount (with no minimum) are collected by CACEIS Bank for the execution of stock market orders.

In addition, in accordance with the French amending finance law of 2017, the tax on **financial transactions** is applicable at the ~~rate of 0.30%~~ on purchases of shares

RECORDING OF PHONE CONVERSATIONS

To facilitate the monitoring of the lawfulness of transactions and their compliance with the instructions of the order initiators, recordings of telephone communications with Air Liquide may be made and held for six (6) months. In this case, the account holders must submit their requests by mail to the address: AIR LIQUIDE Service actionnaires – TSA 91948 - 62978 ARRAS Cedex 9, or by e-mail to contact.actionnaires.airliquide.com.
