Free Shares

What are the benefits?
Air Liquide regularly issues free shares to all of its shareholders.

**GROW YOUR NUMBER OF DIVIDEND-PAYING SHARES**
For all shareholders, free share attributions enable you to expand your portfolio over time. In addition to passing on approximately 50% of profits to shareholders by paying dividends, Air Liquide distributes a portion of its retained earnings to shareholders in the form of free shares. These are free shares attributed in proportion to the number of shares you already hold.

**BENEFIT FROM AN ADDITIONAL 10% OF FREE SHARES**
If you hold your registered shares for more than two full calendar years, the loyalty bonus gives you a 10% increase in the number of free shares you will receive. For example, in the attribution in 2019, one free share was given for every 10 shares held, each shareholder eligible for the loyalty bonus who owns 100 shares receives 10 + 1 new shares.

**CALCULATING FRACTIONAL RIGHTS**
If the number of shares you hold is not a multiple of the attribution transaction, you will receive a cash payment for the portion of the free share that cannot be distributed. This is known as a “fractional right” and is paid directly to your bank account.

**An example based on the 2019 transaction multiple:**
I have 307 shares in my portfolio. I therefore receive 30 free shares (one free share for 10 shares owned) and 0.7 “ordinary” fractional rights. Of these 307 shares, 205 are eligible for the loyalty bonus. I therefore receive an additional two free shares (one free share for 100 shares owned) and 0.05 “loyalty” fractional rights from the loyalty bonus. Both kinds of fractional rights are not fungible.

**FOCUS ON YOU KEEP THE SAME BENEFITS**
Free shares have the same characteristics as the shares they are derived from:
- loyalty bonus
- seniority
- voting rights
- dividend rights

**GOOD TO KNOW**
The fractional rights of shares held as intermediary registered shares and those of bearer shares are not fungible. If you have purchased bearer shares before the attribution of free shares, consider asking your account manager to convert them to intermediary registered form.
