Transactions are carried out by CACEIS Bank, a public limited company with a board of directors, entered in the Paris trade and companies register (RCS) under number 692 024 722 and whose registered office is located at 1-3, Place Valhubert, 75013 Paris.

Your stock market orders

Holders place buy or sell orders online from their personal space at www.airliquide.com. For security reasons, Air Liquide will assign an ID (per account) as long as an account agreement has been completed and the requested supporting documents have been provided. Due to the confidentiality resulting from the use of the login information, the account holders accept being considered the sole originators of any transmitted order.

Online buy orders, paid for in full by automatic direct debit or bank card, and online sell orders are subject to a brokerage rate of 0.10% excluding tax of the gross transaction amount.

Buy or sell orders sent by mail, e-mail, or telephone are subject to a brokerage rate of 0.18% excluding tax of the gross transaction amount. The order must contain the direction of the transaction, the number of shares, and the validity period (maximum of 2 calendar months). If no instructions are provided, orders will be automatically valid until the end of the calendar month, but they may be canceled or modified during this period.

Any written buy or sell order by e-mail or mail must be accompanied by a **photocopy of the front and back of an identification document** of the account holder(s).

After the order is executed, the holders will receive a transaction notice (per account) by e-mail specifying the execution conditions, fees, and payment terms. This transaction notice is available in your online personal space.

If purchases of shares are not fully paid for by bank card (limited to a total of €3,000 gross) or by bank direct debit (SEPA zone only) and the account does not have enough shares to cover the amount, a deposit of 80% of the amount of the purchases must be sent to Air Liquide by bank transfer (1). The ID must be indicated in the transfer reference. The balance of the purchase price will be due upon receipt of the transaction notice.

If no payment is received for purchases by the deadlines indicated on the transaction notice, Air Liquide may sell all or part of the directly registered shares in the account of the holders.

In the event of a dispute, jurisdiction is conferred on the courts of the location of the registered office of Air Liquide S. A.

Whenever it deems it reasonably necessary in view of its obligations, CACEIS Bank may, through Air Liquide, request any explanation and the production of any supporting document from the holders, mainly:

- concerning any transactions that appear unusual because of, in particular, their methods, amount, or exceptional nature compared with those previously processed by the holders;
- concerning the source of the funds used to purchase directly registered shares;
- concerning the true identity of the persons for whose benefit the account is opened, if it appears that the holder(s) might not act on their own behalf, subject to the application of the special rules of the legislative framework governing registered intermediaries within the meaning of Article L 228-1 of the French commercial code.

Please note: *The sale of shares on behalf of a minor is considered impoverishment. Therefore, the document must be signed by the two legal representatives of the minor child.*
