

Dividend

When and how do I receive it?

The dividend is the portion of the Group's net profit that is distributed to shareholders. At Air Liquide, this portion represents about 50%; a sign of the Group's commitment to sharing the fruits of its growth with you.

YOU DON'T HAVE TO DO ANYTHING

For intermediary registered and bearer shares, Air Liquide pays the gross dividend to your financial institution, which will then credit your account with the net dividend net of withholding taxes.

For direct registered shares, the dividend, net of withholding taxes, is paid by Air Liquide directly into your bank account.

DIVIDEND PAYMENT

The dividend will be paid out on May 19, 2021.

Your bank account will be credited in the following days, depending on the processing time needed by your financial institution.

Direct registered shareholders: if you have changed your bank details, remember to update them as soon as possible from your personal online Account under "My profile" section. You can also send it to us by mail, accompanied by your ID or via the contact form on the airliquide.com/en website, Shareholders section.

GOOD TO KNOW (for French tax residents) TAXATION OF DIVIDEND IN FRANCE FOR THOSE RESIDING OUTSIDE FRANCE FOR TAX PURPOSES

A statutory rate equal to at least 12.8% is withheld upon dividend payment by your account manager (Shareholder Services for direct registered Air Liquide shares, your financial institution for intermediary registered or bearer Air Liquide shares). However, in most cases, a tax agreement^(c) is signed between France and your country of residence. The main aim of this agreement is to set a flat tax rate which is withheld from your dividends. If the tax value of the tax agreement is below

12.8%, to benefit from this rate, you must send Form 5,000^(d) (corresponding to the request to apply the rate adopted in the agreement), completed and signed by the tax authorities of your place of residence, to your account manager by mid-April. This Cerfa form can be downloaded from impots.gouv.fr.

It must be resent to your account manager each year, otherwise the statutory rate will be applied upon payment of the dividend.
