GENERAL TERMS AND CONDITIONS OF THE DIRECTLY USUFRUCT & BARE-OWNERSHIP DIRECTLY REGISTERED SECURITY ACCOUNT

*These general terms and conditions are to be kept by the holder(s) of the security account.
It is not necessary to return a copy to us.*

01/2022

OPENING THE AIR LIQUIDE DIRECTLY REGISTERED SECURITY ACCOUNT

Any natural person shareholder may hold a security account kept by Air Liquide. The shareholder must be fully capable of carrying out civil matters or be duly represented. Failure to sign an account-keeping agreement does not comply with the French financial market authority's general regulations.

Article L322-67 4 provides that an agreement must be established with the holder of the securities.

CLOSING THE SECURITY ACCOUNT

- **Closing on the initiative of the account holders:** the security account is closed upon receipt of a written request signed by all the joint holders along with a copy of their identification documents. The securities are then transferred in France or sold in accordance with the received instructions.
- **Death of the usufructuary:** the death of the usufructuary results in either the creation of a joint-ownership account for the benefit of all the bare owners or the distribution of the securities in the account to each of the bare owners, according to written instructions signed by all the beneficiaries, along with a copy of their identification document or according to instructions received from the civil-law notary in charge of the estate.
- **Death of one of the bare owners:** the death of one of the bare owners entails a freeze on the account. The freeze is lifted upon receipt of instructions from the civil-law notary in charge of the estate.

PROVIDING INFORMATION TO HOLDERS

Air Liquide makes available to each member of the usufruct/bare-ownership account an account statement as of December 31 of each year and all their account documents online in their Personal Space. For any transaction carried out on the account, the first of the bare owners receives an information document.

Holders are informed by e-mail of any new document placed in their online Personal Space at the e-mail address that they have communicated; if no e-mail address is provided or on express request, they are informed by mail.

Air Liquide informs the account holders of each securities transaction, enabling them to exercise the rights attached to the securities in the account where necessary.

If Air Liquide modifies these general terms and conditions, the first of the bare owners will be informed. If the first of the bare owners does not reject the modifications within thirty (30) days, the modifications will be considered accepted.

DIRECTLY REGISTERED STOCK EXCHANGE ORDERS

Transactions are carried out by CACEIS Bank, a public limited company with a board of directors, entered in the Paris trade and companies register (RCS) under number 692 024 722 and whose head office is located at 1-3, Place Valhubert, 75013 Paris.

The bare owners may send their requests for stock exchange transactions **only by mail**. This request must be accompanied by the **signed agreement of all the members of the usufruct/bare-ownership account and a copy of their identification documents**. The order must contain the direction of the transaction, the number of securities, and the validity period (maximum of 2 calendar months). If no instructions are provided, orders will be automatically valid until the end of the calendar month, but they may be canceled or modified during this period. The applied brokerage rate will be 0.18% excluding tax. After the order is executed, the first of the bare owners will receive a transaction notice specifying the execution conditions, fees, and payment terms.

If no payment is received for purchases by the deadlines indicated on the transaction notice, Air Liquide may sell all or part of the directly registered securities in the account of the account holders.

In its capacity as custody account keeper, Air Liquide is obliged to return the securities that it holds in its books on behalf of the holders. However, Air Liquide will be unable to return the securities recorded in the security account if they are unavailable either as a precaution or by virtue of an enforcement order, or encumbered by a legal or contractual security interest in favor of Air Liquide or another creditor.

Air Liquide may object to the return of the securities in custody in the event that fees remain due by the holders.

Air Liquide's responsibilities in its capacity as custody account keeper cease, for securities whose return has been requested, as soon as this return is carried out.

The holders are informed and acknowledge that, pursuant to the provisions of the French Monetary and Financial Code, Air Liquide, in its capacity as custodian account keeper, has a right of set-off enabling it to be guaranteed, with regard to the holders, for all debts due to them and arising from the execution of buy and sell orders on behalf of holders or due to the substitution of the defaulting holders for the settlement of transactions, including receivables arising from loans or advances. In addition to this lien, Air Liquide may benefit from other security interests, liens, and/or rights of set-off.

Unless otherwise agreed in writing, and provided that the nature of the securities so permits, all securities held in the account by Air Liquide are subject to the fungibility regime.

The holders agree that Air Liquide will, where appropriate, transfer these securities to an institution managing a clearing or liquidation system.

Pursuant to the provisions of the French Monetary and Financial Code and the French Civil Code, the holders expressly authorize Air Liquide to make adjustments to their security account in the event of an adjustment of an executed order or of the position eligible for a corporate action or in the event of an error or default, in particular of Air Liquide, a central depository, or an intermediary. Regularizations may only relate to securities and cash amounts strictly necessary for the regularization of the transaction(s) and must be carried out as soon as possible from the date on which Air Liquide becomes aware of the regularization to be carried out.

In the event of a dispute, jurisdiction is conferred on the courts of the location of the head office of L'Air Liquide S.A. Whenever it deems it reasonably necessary in view of its obligations, CACEIS Bank may, through Air Liquide, request any explanation and the production of any supporting document from the holders, mainly:

- concerning any transactions that appear unusual because of, in particular, their methods, amount, or exceptional nature compared with those previously processed by the holders;
- concerning the source of the funds used to purchase directly registered securities;
- concerning the true identity of the persons for whose benefit the account is opened, if it appears that the holder(s) might not act on their own behalf, subject to the application of the special rules of the legislative framework governing registered intermediaries within the meaning of Article L 228-1 of the French commercial code.

FEES

The directly registered security account is managed **free of charge without custody fees**.

Only brokerage fees of **0.1% excluding tax or 0.18% excluding tax** (depending on the order placement and payment methods) of the gross transaction amount (with no minimum) are collected by CACEIS Bank for the execution of stock exchange orders.

In addition, in accordance with the French amending finance law of 2017, the tax on **financial transactions** is applicable at the **rate of 0.3%** of the gross amount of securities purchases.

RECORDING OF PHONE CONVERSATIONS

To facilitate the monitoring of the lawfulness of transactions and their compliance with the instructions of the order initiators, recordings of telephone communications with Air Liquide may be made and held for six (6) months. Account holders have the right to object to such recording. In this case, the account holders must submit their requests by mail to the address: AIR LIQUIDE Direction du Service Actionnaires – TSA 91948 - 62978 ARRAS Cedex 9, or by e-mail to contact.actionnaires.airliquide.com.

Owners have a right of access and rectification of recordings concerning them.
