YOU DON’T HAVE TO DO ANYTHING

If you hold your shares with a financial institution ("bearer" or "administered registered" form), Air Liquide pays the gross dividend to your financial institution, which will then credit your account with the dividend net of withholding taxes.

If you hold your shares directly with Air Liquide ("direct registered" form), the dividend, net of withholding taxes, is paid by Air Liquide directly into your bank account.

DIVIDEND PAYMENT

The dividend will be paid out on May 18, 2022. Your bank account will be credited in the following days, depending on the processing time needed by your financial institution.

If you hold your shares directly with Air Liquide ("direct registered") and if you have changed your bank details, remember to update them as soon as possible. You can also send us your request from airliquide.com, section Investors>Online help & Contact or by mail with a copy of your identity card.

Good to know (for French tax residents)

TAXATION OF DIVIDEND IN FRANCE FOR THOSE RESIDING OUTSIDE FRANCE FOR TAX PURPOSES

A statutory rate equal to at least 12.8% is withheld upon dividend payment by your account manager (Shareholder Services Department for "direct registered" Air Liquide shares, your financial institution for "intermediary registered" or "bearer" Air Liquide shares).

However, in most cases, a tax agreement (c) is signed between France and your country of residence. The main aim of this agreement is to set a flat tax rate which is withheld from your dividends. If the tax value of the tax agreement is below 12.8%, to benefit from this rate, you must send the Cerfa Form 5000 (d) (corresponding to the request to apply the rate adopted in the agreement), completed and signed by the tax authorities of your place of residence, to your account manager by mid-April. This Cerfa form can be downloaded from impots.gouv.fr.

It must be resent to your account manager each year, otherwise the statutory rate will be applied upon payment of the dividend.
