OPENING THE AIR LIQUIDE DIRECTLY REGISTERED SECURITY ACCOUNT

Any legal entity shareholder may hold a security account kept by Air Liquide. The shareholder must be fully capable of carrying out civil matters or be duly represented.

Failure to sign an account-keeping agreement does not comply with the French financial market authority's general regulations.

Article L322-67 4 provides that an agreement must be established with the holder of the securities.

This signed account agreement and its supporting documents will also allow you to have access to stock exchange orders online.

SUPPORTING DOCUMENTS TO BE PROVIDED

For the opening of the **security** account for a legal entity, the account holder undertakes to provide the following supporting documents to the account keeper:

- a recent copy of the K-Bis in the name of the company,
- a copy of both sides of an **identification document** (identity card, passport) of the corporate officer indicated on the K-Bis,
- a mandate letter and a copy of both sides of an **identification document** (identity card, passport) **of the representative if different from the corporate officer**,
- an **RIB** (statement of bank account information) **in the name of the legal entity** issued by the bank and indicating the BIC code and the IBAN; this RIB will be used for dividend payments and stock exchange transactions.

CLOSING THE SECURITY ACCOUNT

Closing on the initiative of the account holder: the security account is closed upon receipt of a written request signed by the representative along with a copy of the representative's identification document. The securities are then transferred in France or sold in accordance with the received instructions.

Death of the representative: the death of the representative or the corporate officer entails a freeze on the account. Any closure of the account occurs once the estate liquidation operations are completed.

PROVIDING INFORMATION TO HOLDERS

Air Liquide makes available to holders an account statement as of December 31 of each year and all their account documents online in their Shareholder Portal.

Holders are informed by e-mail of any new document placed in their online Shareholder Portal at the e-mail address that they have communicated; if no e-mail address is provided or on express request, they are informed by mail.

Air Liquide informs the account holders of each securities transaction, enabling them to exercise the rights attached to the securities in the account where necessary.

If Air Liquide modifies these general terms and conditions, the holders will be informed. If they do not reject the modifications within thirty days, the modifications will be considered accepted.

DIRECTLY REGISTERED STOCK EXCHANGE ORDERS

Transactions are carried out by CACEIS Bank, a public limited company with a board of directors, entered in the Paris trade and companies register (RCS) under number 692 024 722 and whose head office is located at 1-3, Place Valhubert, 75013 Paris.

Account holders place **buy or sell orders online** from the Shareholder Portal at www.airliquide.com. For security reasons, Air Liquide will assign an ID (per account) as long as this agreement has been duly completed and sent along with the requested supporting documents. **Due to the confidentiality resulting from the use of the login information, the account holders accept being considered the sole originators of any transmitted order.**

Online buy orders, paid for in full by **automatic direct debit (SEPA only) or by bank card**, and **online sell orders** are subject to a **brokerage rate of 0.1% excluding tax of the transaction amount**.

Buy or sell orders sent by **mail, e-mail, or telephone** are subject to a brokerage rate of **0.18% excluding tax of the gross transaction amount**. The order must contain the direction of the transaction, the number of securities, and the validity period for limit orders (maximum of 2 calendar months). If no instructions are provided, orders will be automatically valid until the end of the calendar month, but they may be canceled or modified during this period.

Any written buy or sell order by e-mail or mail must be accompanied by a copy of the front and back of an identification document.

After the order is executed, the holders will receive a transaction notice (per account) by e-mail specifying the execution conditions, fees, and payment terms. It will be available on their online Shareholder Portal.

If purchases of securities are not fully paid for by bank card (limited to a total of €3,000 gross) or by automatic direct debit (SEPA only) and the account does not have enough **securities to cover the amount**, a **deposit of 80%** of the amount of the purchases must be sent to Air Liquide by bank transfer (1). The security account ID must be indicated in the transfer reference. The balance of the purchase price will be due upon receipt of the transaction notice.

If no payment is received for purchases by the deadlines indicated on the transaction notice, Air Liquide may sell all or part of the directly registered securities in the account of the holders.

In its capacity as custody account keeper, Air Liquide is obliged to return the securities that it holds in its books on behalf of the holders. However, Air Liquide will be unable to return the securities recorded in the security account if they are unavailable either as a precaution or by virtue of an enforcement order, or encumbered by a legal or contractual security interest in favor of Air Liquide or another creditor.

Air Liquide may object to the return of the securities in custody in the event that fees remain due by the holders.

Air Liquide's responsibilities in its capacity as custody account keeper cease, for securities whose return has been requested, as soon as this return is carried out.

The holders are informed and acknowledge that, pursuant to the provisions of the French Monetary and Financial Code, Air Liquide, in its capacity as custodian account keeper, has a right of set-off enabling it to be guaranteed, with regard to the holders, for all debts due to them and arising from the execution of buy and sell orders on behalf of holders or due to the substitution of the defaulting holders for the settlement of transactions, including receivables arising from loans or advances. In addition to this lien, Air Liquide may benefit from other security interests, liens, and/or rights of set-off.

Unless otherwise agreed in writing, and provided that the nature of the securities so permits, all securities held in the account by Air Liquide are subject to the fungibility regime.

The holders agree that Air Liquide will, where appropriate, transfer these securities to an institution managing a clearing or liquidation system.

Pursuant to the provisions of the French Monetary and Financial Code and the French Civil Code, the holders expressly authorize Air Liquide to make adjustments to their security account in the event of an adjustment of an executed order or of the position eligible for a corporate action or in the event of an error or default, in particular of Air Liquide, a central depository, or an intermediary. Regularizations may only relate to securities and cash amounts strictly necessary for the regularization of the transaction(s) and must be carried out as soon as possible from the date on which Air Liquide becomes aware of the regularization to be carried out.

In the event of a dispute, jurisdiction is conferred on the courts of the location of the head office of L'Air Liquide S.A. Whenever it deems it reasonably necessary in view of its obligations, CACEIS Bank may, through Air Liquide, request any explanation and the production of any supporting document from the holders, mainly:

- concerning any transactions that appear unusual because of, in particular, their methods, amount, or exceptional nature compared with those previously processed by the holders;
- concerning the source of the funds used to purchase directly registered securities;
- concerning the true identity of the persons for whose benefit the account is opened, if it appears that the holder(s) might not act on their own behalf, subject to the application of the special rules of the legislative framework governing registered intermediaries within the meaning of Article L 228-1 of the French commercial code.

FEES

The directly registered security account is managed **free of charge without custody fees**.

Only brokerage fees of **0.1% excluding tax or 0.18% excluding tax** (depending on the order placement and payment methods) of the gross transaction amount (with no minimum) are collected by CACEIS Bank for the execution of stock exchange orders.

In addition, in accordance with the French amending finance law of 2017, the tax on **financial transactions** is applicable at the **rate of 0.3%** on purchases of securities.

RECORDING OF PHONE CONVERSATIONS

To facilitate the monitoring of the lawfulness of transactions and their compliance with the instructions of the order initiators, recordings of telephone communications with Air Liquide may be made and held for six (6) months. Account holders have the right to object to such recording. In this case, the account holders must submit their requests by mail to the address: AIR LIQUIDE Direction du Service Actionnaires – TSA 91948 - 62978 ARRAS Cedex 9, or by e-mail to contact.actionnaires.airliquide.com

Owners have a right of access and rectification of recordings concerning them.

PROTECTION OF PERSONAL DATA

The personal data indicated on the front are required. They are collected by L'Air Liquide S.A. – 75 Quai d'Orsay, 75007 Paris – for securities management purposes. The processing of such data is necessary for the performance of the account agreement to which you are a party.

To comply with legal obligations, the data may be communicated to the competent authorities. In addition, the tools used for securities management may involve the transmission of such personal data to service providers located in non-EEA countries (in particular, the USA) for hosting purposes. In this case, Air Liquide takes the necessary measures to guarantee an adequate level of protection of your data through the signing of the European Commission's Standard Contractual Clauses.

For anti-money laundering purposes, the data may be communicated to the French tax authorities.

Personal data will be retained for five (5) full calendar years after the account is closed. The rights of access, rectification, deletion, and portability pertaining to the personal data that you have provided as well as the right to provide instructions regarding your personal data after your death and to request the limitation of the processing of your personal data may be exercised with the Shareholder Services Division:

- by **mail** sent to the following address: AIR LIQUIDE Direction du Service Actionnaires - TSA 91948 - 62978 ARRAS Cedex 9,
- via our **online contact form**: <https://www.airliquide.com/group/contact-us-gdpr>

You may also lodge a complaint with the competent data protection authority, which is the CNIL in France.
