# GENERAL TERMS AND CONDITIONS OF THE JOINT-OWNERSHIP DIRECTLY REGISTERED SECURITY ACCOUNT

## OPENING THE AIR LIQUIDE DIRECTLY REGISTERED SECURITY ACCOUNT

Any natural person shareholder may hold a security account kept by Air Liquide. The shareholder must be fully capable of carrying out civil matters or be duly represented. Failure to sign an account-keeping agreement does not comply with the French financial market authority's general regulations. Article L322-67 4 provides that an agreement must be established with the holder of the securities.

## SUPPORTING DOCUMENTS TO BE PROVIDED

To open the account, the following supporting documents must be provided **for each member of the account**. The natural person holders therefore undertake to provide the account keeper with the following supporting documents:

- a copy of both sides of an **identification document** (identity card, passport, family register for minors),
- a copy of **proof of address** (electricity, landline phone, gas, water, Internet, etc. bill) in the name of a legal representative for minors,
- a **statement of bank account information** (RIB) **in the name of the holders**, issued by the bank, indicating the BIC code and the IBAN. This RIB will be used for dividend payments and stock exchange transactions.

**In special cases, the following are to be provided in addition to the requested documents:**

- for minors, copies of an **identification document** (identity card, passport) of a **legal representative** and the family register,
- for adults under protection, copies of the **judgment** and an **identification document of the representative**,
- for sheltered adults, attach **proof of housing** dated and signed by the housing provider along with proof of identity and proof of address in the name of the housing provider.

## CLOSING THE SECURITY ACCOUNT

**Closing on the initiative of the account holders:** the security account is closed upon receipt of a written request signed by all the joint holders along with a copy of their identification documents. The securities are then transferred in France to individual security accounts or sold in accordance with the received instructions.

**Death of a joint holder of a security account:** the death of one of the joint holders of a security account entails a freeze on the account. The account is closed once the estate liquidation operations are completed.

## PROVIDING INFORMATION TO HOLDERS

Air Liquide sends an account statement as of December 31 of each year to each member of the joint-ownership account. The account status is available online at all times. For any transaction carried out on the account, the joint ownership representative receives an information document.

Air Liquide informs the representative of each securities transaction, enabling the representative to exercise the rights attached to the securities in the account where necessary.

If Air Liquide modifies these general terms and conditions, the joint ownership representative will be informed. If the joint ownership representative does not reject the modifications within thirty days, the modifications will be considered accepted.

## DIRECTLY REGISTERED STOCK EXCHANGE ORDERS

Transactions are carried out by CACEIS Bank, a public limited company with a board of directors, entered in the Paris trade and companies register (RCS) under number 692 024 722 and whose head office is located at 1-3, Place Valhubert, 75013 Paris.

The joint ownership representative may send requests for stock exchange transactions **only by mail**. This request must be accompanied by the **signed agreement of all the joint owners and a copy of their identification documents**. The order must contain the direction of the transaction, the number of securities, and the validity period (maximum of 2 calendar months). If no instructions are provided, orders will be automatically valid until the end of the calendar month, but they may be canceled or modified during this period. The applied brokerage rate will be 0.18% excluding tax.

After the order is executed, the joint ownership representative will receive a transaction notice specifying the execution conditions, fees, and payment terms.

Unless otherwise specified, the funds will be paid into the joint ownership representative's account.

If no payment is received for purchases by the deadlines indicated on the transaction notice, Air Liquide may sell all or part of the directly registered securities in the account.

In its capacity as custody account keeper, Air Liquide is obliged to return the securities that it holds in its books on behalf of the holders. However, Air Liquide will be unable to return the securities recorded in the security account if they are unavailable either as a precaution or by virtue of an enforcement order, or encumbered by a legal or contractual security interest in favor of Air Liquide or another creditor.

Air Liquide may object to the return of the securities in custody in the event that fees remain due by the holders.

Air Liquide's responsibilities in its capacity as custody account keeper cease, for securities whose return has been requested, as soon as this return is carried out.

The holders are informed and acknowledge that, pursuant to the provisions of the French Monetary and Financial Code, Air Liquide, in its capacity as custodian account keeper, has a right of set-off enabling it to be guaranteed, with regard to the holders, for all debts due to them and arising from the execution of buy and sell orders on behalf of holders or due to the substitution of the defaulting holders for the settlement of transactions, including receivables arising from loans or advances. In addition to this lien, Air Liquide may benefit from other security interests, liens, and/or rights of set-off.

Unless otherwise agreed in writing, and provided that the nature of the securities so permits, all securities held in the account by Air Liquide are subject to the fungibility regime. The holders agree that Air Liquide will, where appropriate, transfer these securities to an institution managing a clearing or liquidation system.

Pursuant to the provisions of the French Monetary and Financial Code and the French Civil Code, the holders expressly authorize Air Liquide to make adjustments to their security account in the event of an adjustment of an executed order or of the position eligible for a corporate action or in the event of an error or default, in particular of Air Liquide, a central depository, or an intermediary. Regularizations may only relate to securities and cash amounts strictly necessary for the regularization of the transaction(s) and must be carried out as soon as possible from the date on which Air Liquide becomes aware of the regularization to be carried out.

In the event of a dispute, jurisdiction is conferred on the courts of the location of the head office of L'Air Liquide S.A. Whenever it deems it reasonably necessary in view of its obligations, CACEIS Bank may, through Air Liquide, request any explanation and the production of any supporting document from the holders, mainly:

- concerning any transactions that appear unusual because of, in particular, their methods, amount, or exceptional nature compared with those previously processed by the holders;
  - concerning the source of the funds used to purchase directly registered securities;
- concerning the true identity of the persons for whose benefit the account is opened, if it appears that the holder(s) might not act on their own behalf, subject to the application of the special rules of the legislative framework governing registered intermediaries within the meaning of Article L 228-1 of the French commercial code.

#### **FEES**

The directly registered security account is managed **free of charge without custody fees**.

Only brokerage fees of **0.18% excluding tax** of the gross transaction amount (with no minimum) are collected by CACEIS Bank for the execution of stock exchange orders.

In addition, in accordance with the French amending finance law of 2017, the tax on **financial transactions** is applicable at the **rate of 0.3%** on purchases of securities.

#### **RECORDING OF PHONE CONVERSATIONS**

To facilitate the monitoring of the lawfulness of transactions and their compliance with the instructions of the order initiators, recordings of telephone communications with Air Liquide may be made and held for six (6) months. Account holders have the right to object to such recording. In this case, the account holders must submit their requests by mail to the address: AIR LIQUIDE Direction du Service actionnaires – 75 quai d'Orsay 75321 – TSA 70737 - Paris Cedex 07 or by e-mail to [contact.actionnaires.airliquide.com](mailto:contact.actionnaires.airliquide.com).

Owners have a right of access and rectification of recordings concerning them.

#### **PROTECTION OF PERSONAL DATA**

The personal data indicated on the front are required. They are collected by L'Air Liquide S.A. – 75 Quai d'Orsay, 75007 Paris – for securities management purposes. The processing of such data is necessary for the performance of the account agreement to which you are a party.

To comply with legal obligations, the data may be communicated to the competent authorities. In addition, the tools used for securities management may involve the transmission of such personal data to service providers located in non-EEA countries (in particular, the USA) for hosting purposes. In this case, Air Liquide takes the necessary measures to guarantee an adequate level of protection of your data through the signing of the European Commission's Standard Contractual Clauses.

For anti-money laundering purposes, the data may be communicated to the French tax authorities.

Personal data will be retained for five (5) full calendar years after the account is closed. The rights of access, rectification, deletion, and portability pertaining to the personal data that you have provided as well as the right to provide instructions regarding your personal data after your death and to request the limitation of the processing of your personal data may be exercised with Shareholder Services:

- by mail sent to the following address: AIR LIQUIDE Direction du Service Actionnaires – TSA 91948 - 62978 ARRAS Cedex 9,
- via our online contact form: <https://www.airliquide.com/group/contact-us-gdpr>

You may also lodge a complaint with the competent data protection authority, which is the CNIL in France.
