This Debt Issuance Programme Prospectus supersedes and replaces the Debt Issuance Programme Prospectus dated 7 July 2010.

This Debt Issuance Programme Prospectus shall, for the purposes of Notes listed and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange, or offered to the public in Luxembourg, be updated annually.

Application has been made to the Commission de surveillance du secteur financier in Luxembourg for approval of this Debt Issuance Programme Prospectus in its capacity as competent authority under the "loi relative aux prospectus pour valeurs mobilières" dated 10 July 2005 which implements the Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading (the "Prospectus Directive"). References in this Debt Issuance Programme Prospectus to the "Prospectus Directive" shall include the amendments made by Directive 2010/73/EU (the "2010 PD Amending Directive") to the extent that such amendments have been implemented in the relevant Member State of the European Economic Area.

Application has been made to the Luxembourg Stock Exchange for Notes issued under the Programme during the period of 12 months from the date of this Debt Issuance Programme Prospectus to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange or to be offered to the public in Luxembourg. Application may also be made to the competent authority in France or to any other competent authority of any other Member State of the European Economic Area for Notes issued under the Programme to be listed and admitted to trading on Euronext Paris or on any other Regulated Market or offered to the public in France or in such Member State. Any Regulated Market is governed by the Directive 2004/39/EC on markets in financial instruments (referred to in this Debt Issuance Programme Prospectus as a "Regulated Market" under the definition of the Directive 2004/39/EC on markets in financial instruments).

Notes which are not admitted to trading on a Regulated Market, or which are not offered to the public in a Member State of the European Economic Area, may be issued under the Programme and may also be listed on an alternative stock exchange or may not be listed at all.

The relevant final terms (the "Final Terms") (forms of which are contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed, admitted to trading and/or offered to the public and will be published, if relevant, on the website of the Regulated Market where the admission to trading is sought or on the website of the relevant Issuer, as the case may be.

Notes may be issued either in dematerialised form ("Dematerialised Notes") or in materialised form ("Materialised Notes"), as more fully described herein.

Dematerialised Notes may, at the option of the relevant Issuer, be (a) in bearer dematerialised form (au porteur) inscribed as from the issue date in the books of Euroclear France ("Euroclear France") (acting as central depository) which shall credit the accounts of Euroclear France Account Holders (as defined in "Terms and Conditions of the Notes-Form, Denomination(s), Title and Redenomination") including Euroclear Bank S.A./N.V. ("Euroclear") and the depository bank for Clearstream Banking, société anonyme ("Clearstream, Luxembourg") or (b) in registered dematerialised form (au nominatif) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (au nominatif pur), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (au nominatif administré) in which case they will be inscribed in the accounts of the Euroclear France Account Holders designated by the relevant Noteholders.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 and R.211-1 of the French Code monétaire et financier. No physical documents of title will be issued in respect of the Dematerialised Notes.

Materialised Notes will be in bearer form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "Temporary Global Certificate") will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in "Temporary Global Certificates Issued in respect of Materialised Bearer Notes") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as defined below) intended to be cleared through Euroclear and/or Clearstream Luxembourg, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream, Luxembourg and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

The distribution of this Debt Issuance Programme Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. For a description of certain restrictions on offers and sales of Notes and on distribution of this Debt Issuance Programme Prospectus, see “Subscription and Sale”.*

This Debt Issuance Programme Prospectus does not constitute an offer of, or an invitation by or on behalf of L’Air Liquide, Air Liquide Finance, the Dealers or the Arranger to subscribe for, or purchase, any Notes.

Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Debt Issuance Programme Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of L’Air Liquide, Air Liquide Finance or the Air Liquide Group during the life of the arrangements contemplated by this Debt Issuance Programme Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche (as defined in “Summary of the Programme”), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. KEY INFORMATION ABOUT L’AIR LIQUIDE AND AIR LIQUIDE FINANCE

I. Key information about L’Air Liquide

Founded in 1902, L’Air Liquide is the parent company of the Air Liquide Group (the “Group”), the world leader¹ in gases for industry, health and the environment. From its first presence abroad in 1906, the Group now operates in over 80 countries and employs about 43,000 people. L’Air Liquide is listed on the Paris Euronext stock exchange (compartment A) and is a member of the CAC 40 and Dow Jones Euro Stoxx 50 indexes.

L’Air Liquide supplies oxygen, nitrogen, hydrogen and many other gases to most industries (steel, oil refining, chemicals, glass, electronics, healthcare, food processing, metallurgy, paper and aerospace). Gas and Services activities are organized around four business lines:

- Industrial Merchant (40% of Gas and Services sales in 2010)
- Large Industries (34% of Gas and Services sales in 2010)
- Healthcare (16% of Gas and Services sales in 2010)
- Electronics (10% of Gas and Services sales in 2010)

The Air Liquide Group develops a wide variety of services that range from managing all gas-related operations at customer sites and finding new energy solutions for manufacturers, to providing healthcare services for treating patients at home. By combining new technologies and services, the Group develops solutions that increase the industrial performance of its customers, improve healthcare and help protect the environment.

The Air Liquide Group has developed complementary competencies in Engineering and Construction, Welding and Cutting, Space and Aeronautics, Specialty Chemicals and Diving.

Air Liquide Group revenue reached a record 13.5 billion euros in 2010, 12 billion euros of which was for Gas and Services. Excluding exchange rate impacts and rising natural gas prices, Gas and Services sales were up 10.3% compared to 2009 and exceeded the 2008 pre-crisis level by almost 5%. Europe contributed for 52% of 2010 Gas & Services sales, Americas for 23%, Asia Pacific for 22% and Africa and Middle East for 3%. Group operating income before non-recurring items increased by 15.6% to 2,252 million euros, as a result of further improvement in the operating margin which reached 16.7%, up 50 basis points excluding natural gas impact.

Net profit (Group share) for 2010 totalled 1,404 million euros, up 14.1% compared to 2009 and 10.5% excluding exchange rate impact. Net profit per share amounted to 4.99 euros, up 13.4% from 2009.

Cash flow from operating activities (before changes in working capital) amounted to 2,661 million euros in 2010, up 17.0%. Net capital expenditure rose by 20.7% to 1,738 million euros, back to almost pre-crisis levels. Net debt, which was impacted by the appreciation of the Japanese yen and US dollar, increased by 3.0%. Excluding exchange rate impact, net debt declined by 3.7%. Thus the debt to equity ratio fell significantly to 55% in 2010 from 63% in 2009. Due to the improved operating performance and the contribution of several different asset optimization projects, return on capital employed (ROCE) was 12.1% in 2010, exceeding the original objective of between 11% and 12%.

II. Key information about Air Liquide Finance

Air Liquide Finance was incorporated on 23 December 1999, under the laws of France in the form of a *société anonyme* for a term of 99 years. It is a wholly-owned subsidiary of L'Air Liquide.

The registered office of Air Liquide Finance is 6, rue Cognacq-Jay, 75007 Paris. It is registered with the *Registre du commerce et des sociétés* of Paris under number 428 711 949. Its issued share capital amounts to 72,000,000 euros represented by 6,000,000 ordinary shares of 12 euros nominal value each.

Air Liquide Finance was created to carry on certain financial activities in connection with the funding of the Group. Air Liquide Finance can issue notes under a French Commercial Paper Programme of 3 billion euros guaranteed by L'Air Liquide. RISK FACTORS

I. Risk factors relating to the Issuers

Investment considerations in connection with L'Air Liquide

Due to the wide variety of the countries in which it operates and the diversity of its businesses, the Air Liquide Group may be exposed to various risks, among others:

- 1) Specific business-related risks:
 - Technological risks
 - Business-related risks
 - Project-related risks

- Supply-related risks
 - Engineering and construction activity-related risks
- 2) Industrial and environmental risks
 - 3) Financial risks:
 - Foreign exchange risk
 - Interest rate risk
 - Counterparty and liquidity risk
 - 4) Legal risks
 - 5) Insurance management
 - Property, damage and business interruption
 - Civil Liability

Mitigating these risks is a priority for the Group. As such, internal control procedures were developed by the Group. They form part of the Group policies and are included in the “Principles of Action” issued in 2006. In addition to the “Principles of Action”, the Group’s policies are gathered since 2009 in an overall reference document, the BLUEBOOK, which is available to employees on the intranet. They constitute a set of internal control and risk management procedures, which should be implemented by each entity included in the Group’s consolidated financial statements according to local specificities.

The Group has a worldwide presence. Its subsidiaries operating industrial and medical gases production units are obliged to comply with rules and regulations in force locally, particularly in the technical field. Furthermore, in Healthcare, certain products may be subject to drug regulatory control. As at the date of this Debt Issuance Programme Prospectus, to the best of the Group’s knowledge, there are no exceptional facts or litigation, that could significantly affect its property, financial situation, activities or results, over the past twelve months.

The Group has adequate insurance coverage, underwritten by first-grade insurers, for civil liability, property damage and business interruption. Since 1 January 2003, it has had in place a captive insurance company that retains part of the property damage and business interruption risk.

Investment considerations in connection with Air Liquide Finance

To separate industrial activities from financing activities, L’Air Liquide set up Air Liquide Finance, a fully-owned French subsidiary. This subsidiary centralizes the Group’s funding activities in countries whose risk has been validated by the Group and ensures the Group’s interest rate and foreign exchange risks management. Investment considerations in connection with Air Liquide Finance with respect to its financial risks and liquidity risks are detailed above.

II. Risk factors relating to the Notes

In addition, there are certain factors that are specific to the Notes to be issued by the Issuers under the Programme.

An investment in the Notes involves certain risks which are material for the purpose of assessing the market risks associated with Notes issued under the Programme. While all of these risk factors are contingencies

which may or may not occur, potential investors should be aware that the risks involved with investing in the Notes may lead to a volatility and/or decrease in the market value of the relevant Tranche of Notes whereby the market value falls short of the expectations (financial or otherwise) of an investor upon making an investment in such Notes.

However, each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and conditions, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

The risk factors relating to the Issuers and to the Notes issued by the Issuers are more detailed in the section “Risk factors” of this Debt Issuance Programme Prospectus.

Investment considerations in connection with Air Liquide Finance

To benefit from economies of scale and facilitate capital markets funding (bonds and commercial paper), the Group uses a special-purpose subsidiary, Air Liquide Finance. This subsidiary centralizes the Group's funding activities, essentially in Europe.

As of 31 December 2010, Air Liquide Finance granted, directly or indirectly, 4,696 million euros in loans and received 3,213 million euros in cash surpluses at deposit. These transactions were denominated in 13 currencies (primarily Euro, USD, JPY and GBP) and extended to approximately 170 subsidiaries. Because of the currency offsetting positions adopted by Air Liquide Finance, these intra-group funding operations do not generate any foreign exchange risk for the Group.

In geographical locations where the Group has estimated that the risk level is too high, and where market conditions permit, the subsidiaries fund themselves independently.

In addition, Air Liquide Finance manages the Group's interest rate and foreign exchange risks.

For those reasons, investment considerations in connection with Air Liquide Finance relate to financial risks and liquidity risks of L'Air Liquide.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe some risk factors that are material to the Notes to be offered and/or listed and admitted to trading in order to assess the market risk associated with these Notes. They do not describe all the risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances. These risk factors may be completed in the Final Terms of the relevant Notes for a particular issue of Notes.

1 General risk relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuers or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Modification, waivers and substitution

The conditions of the Notes contain provisions for calling General Meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority.

1.3 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single Series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the relevant Issuer. Although in relation to Notes to be listed and admitted to trading on the Luxembourg Stock Exchange and/or any other Regulated Market in the EEA, the Final Terms of the Notes will be filed with the *Commission de surveillance du secteur financier* in Luxembourg and/or with the competent authority of the Regulated Market of the EEA where the Notes will be listed and admitted to trading, there is no assurance that such filings will be accepted, that any particular Tranche of Notes will be so listed and admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.4 Potential Conflicts of Interest

Each of the Issuers, the Dealer(s) or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any issuer of the securities taken up in an index, their respective affiliates or any guarantor or any other person or entities having obligations relating to any issuer of the securities taken up in an index or their respective affiliates or any guarantor in the same manner as if any index-linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on an issuer of the securities taken up in the index, any of their respective affiliates or any guarantor.

Each of the Issuers may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.5 Exchange Rates

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.6 Legality of Purchase

Neither the Issuers, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.7 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

1.8 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial instruments such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Debt Issuance Programme Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in conjunction with the taxation sections of this Debt Issuance Programme Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

1.9 EU Savings Directive

On 3 June 2003, the European Council of Economic and Finance Ministers adopted a directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Directive**"). The Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State, except that, for a transitional period, Luxembourg and Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise (*see "Taxation-EU Taxation"*).

If, following implementation of the Directive, a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payments made by a Paying Agent following implementation of the Directive, the relevant Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

1.10 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the relevant Issuer and a number of additional factors, including the value of the reference assets or an index, including, but not limited to, the volatility of the reference assets or an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The value of the Notes, the reference assets or the index depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes, the reference assets, the securities taken up in the index, or the index are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets' or an index's future performance during the term of any Note.

1.11 French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) in order to defend their common interests if an accelerated financial preservation (*procédure de sauvegarde financière accélérée*), preservation (*procédure de sauvegarde*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (EMTN) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), proposed accelerated safeguard plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (charges) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in this Debt Issuance Programme Prospectus will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

1.12 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Debt Issuance Programme Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Debt Issuance Programme Prospectus.

2 Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption by the Issuer

Unless in the case of any particular Tranche of Notes the relevant Final Terms specify otherwise, in the event that the relevant Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the relevant Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the relevant Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specify that the Notes are redeemable at the Issuer's option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes and may only be able to do so at a lower rate. Prospective investors should consider reinvestment risk in light of other investments available at that time.

2.2 Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Inverse Floating Rate Notes

Investment in Notes which bear interest at an inverse floating rate comprise (i) a fixed base rate minus (ii) a reference rate. The market value of such Notes typically is more volatile than the market value of floating rate Notes based on the same reference rate (and with otherwise comparable terms). Inverse floating rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

2.5 Fixed to Floating Rate Notes

Fixed to floating rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The relevant Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate, the spread on the fixed to floating Rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on

other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

2.6 Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.7 Index-Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated.

An investment in Index-Linked Notes entails significant risks that are not associated with similar investments in a conventional fixed or floating rate debt security. The Issuer believes that Index-Linked Notes should only be purchased by investors who are, or who are purchasing under the guidance of, financial institutions or other professional investors that are in a position to understand the special risks that an investment in these instruments involves. These risks include, among other things, the possibility that:

- the market price of such Notes may be volatile;
- they may receive no interest;
- payment of principal or interest may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Index-linked Notes are not in any way sponsored, endorsed, sold or promoted by the index sponsor or the respective licensor of the index and such index sponsor or licensor makes no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the index and/or the figure at which the index stands at any particular time. Each index is determined, composed and calculated by its respective index sponsor or licensor, without regard to the relevant Issuer or the Notes. None of the index sponsors or licensors is responsible for or has participated in the determination of the timing of, prices at, or quantities of the Notes to be issued or in determination or

calculation of the equation by which the Notes settle into cash. None of the index sponsors or licensors has any obligation or liability in connection with the administration, marketing or trading of the Notes. The index sponsor or licensor of an index has no responsibility for any calculation agency adjustment made for the index.

None of the Issuers, the Dealer(s) or any of their respective affiliates makes any representation as to an index. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to an index that is or may be material in the context of index-linked Notes. The issue of index-linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

2.8 Partly-Paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

2.9 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.10 Structured Notes

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values of currencies, commodities, interest rates or other indices or formulae, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant currencies, commodities, interest rates or other indices or formulae should be taken as an indication of future performance of such currencies, commodities, interest rates or other indices or formulae during the term of any Note.

2.11 Subordinated Notes

In the event of any insolvency or liquidation of the relevant Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of senior Notes.

In certain circumstances and/or upon the occurrence of certain events, payments of interest under the Notes may be restricted and, in certain cases, forfeited and the amount of interest and principal may be reduced.

Interest Periods and Interest Rates:

The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms, shall be applicable to the Notes. Provisions in square brackets shall apply to Notes issued by Air Liquide Finance, which will have the benefit of a guarantee by the Guarantor. Such provisions will not apply to Notes issued by the Guarantor. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed, amended or varied by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Bearer Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by Air Liquide Finance (“**Air Liquide Finance**”, or an “**Issuer**”) and L’Air Liquide S.A. (“**L’Air Liquide**”, in its capacity as guarantor of Notes issued by Air Liquide Finance, the “**Guarantor**” or, in its capacity as issuer, an “**Issuer**”) (together with Air Liquide Finance, the “**Issuers**”) with the benefit of an amended and restated agency agreement dated 24 June 2011 (the “**Amended and Restated Agency Agreement**”) between the Issuers, the Guarantor, BNP Paribas Securities Services as fiscal agent and the other agents named in it, and with the benefit of a guarantee dated 17 July 2008 (as amended or supplemented from time to time, the “**Guarantee**” executed by the Guarantor in relation to the Notes). The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”. The holders of Dematerialised Notes and Materialised Notes, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Materialised Notes and, where applicable in the case of such Notes, talons (the “**Talons**”) for further Coupons (the “**Couponholders**”) and the holders of the receipts (the “**Receipts**”) for the payment of instalments of principal (the “**Receiptholders**”) relating to Materialised Notes of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Amended and Restated Agency Agreement applicable to them. Terms between square brackets shall apply to Notes issued by Air Liquide Finance and guaranteed by L’Air Liquide.

References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

Copies of the Amended and Restated Agency Agreement and the Guarantee are available for inspection during normal business hours at the specified offices of each of the Paying Agents.

1 Form, Denomination(s), Title and Redenomination

- (a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).

(acting as central depository) (“**Euroclear France**”) which shall credit the accounts of Euroclear France Account Holders, or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*au nominatif administré*) inscribed in the books of a Euroclear France Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Issuer or the Registration Agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

For the purpose of these Conditions, “**Euroclear France Account Holder**” means any intermediary institution entitled directly or indirectly to hold accounts on behalf of its customers with Euroclear France, and includes the depository bank for Clearstream Banking, *société anonyme* (“**Clearstream, Luxembourg**”) and Euroclear Bank S.A. / N.V. (“**Euroclear**”).

- (ii) Materialised Notes are issued in bearer form (“**Materialised Bearer Notes**”). Materialised Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

In accordance with Articles L.211-3 and R.211-1 of the Code, securities (such as Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

(b) **Denomination(s):**

- (i) Notes issued by L’Air Liquide shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market, or offered to the public, in a Member State of the European Economic Area (“**EEA**”) in circumstances which require the publication of a Debt Issuance Programme Prospectus under the Prospectus Directive will be at least €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.
- (ii) Notes issued by Air Liquide Finance shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market, or offered to the public, in a Member State of the EEA in circumstances which require the publication of a Debt Issuance Programme Prospectus under the Prospectus Directive will be at least €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title**

- (i) Title to Dematerialised Notes in bearer dematerialised form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Euroclear France Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or of the Registration Agent.
- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue (“**Definitive Materialised Bearer Notes**”), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**holder of Notes**”, “**holder of any Note**” or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Euroclear France Account Holder or the relevant Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Receipts, Coupons, or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

The relevant Issuer may (if so specified in the relevant Final Terms), without the consent of any of the holders of any Note, Receipt, Coupon or Talon, by giving at least 30 days’ notice in accordance with Condition 16, redenominate on any Interest Payment Date all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) on or after the date on which the Member State of the European Union in whose national currency such Notes are denominated has become a participant member in the third stage of the European economic and monetary union (“**EMU**”), all as more fully set out in the relevant Final Terms.

2 **Conversion and Exchanges of Notes**

(a) **Dematerialised Notes:**

Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).

Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and *vice versa*. The exercise of any such option by such Noteholder shall be made in accordance with Article R.211-4 of the Code. Any such conversion shall be effected at the cost of such Noteholder.

(b) Materialised Notes:

Materialised Bearer Notes of one Specified Denomination may not be exchanged for Materialised Bearer Notes of another Specified Denomination.

3 Guarantee

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be due and payable by Air Liquide Finance under the Notes, Receipts and Coupons and in accordance with their terms and conditions. The obligations of the Guarantor in this respect arise pursuant to a Guarantee Agreement (the “**Guarantee**”) executed by the Guarantor and dated 17 July 2008.

4 Status

(A) Status of the Notes:

The obligations of each Issuer under the Notes may be either unsubordinated (“**Unsubordinated Notes**”) or subordinated (“**Subordinated Notes**”).

(a) Status of Unsubordinated Notes:

The principal and interest on Unsubordinated Notes constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 5) unsecured obligations of the relevant Issuer and rank and will at all times rank *pari passu* and without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) at least equally and rateably with all other present or future unsecured and unsubordinated indebtedness and monetary obligations of the relevant Issuer, from time to time outstanding.

(b) Status of Subordinated Notes:

(i) General

Subordinated Notes (“**Subordinated Notes**”) comprise Ordinary Subordinated Notes, Deeply Subordinated Notes, Dated Subordinated Notes and Undated Subordinated Notes (all as defined below).

(ii) Ordinary Subordinated Notes

The principal and (if the applicable Final Terms so specify) interest on ordinary subordinated notes (“**Ordinary Subordinated Notes**”) constitute direct, unconditional, unsecured and subordinated obligations of the relevant Issuer and rank and will at all times rank *pari passu* and without any preference among themselves and *pari passu* with all other present and future Ordinary Subordinated Notes, but in priority to the *prêts participatifs* granted to the relevant Issuer and Deeply Subordinated Notes.

(iii) Deeply Subordinated Notes

The principal and (if the applicable Final Terms so specify) interest on deeply subordinated notes (“**Deeply Subordinated Notes**”) constitute direct, unconditional, unsecured and subordinated obligations of the relevant Issuer and rank and will at all times rank *pari passu* and without any preference among themselves and *pari passu* with all other present and future Deeply Subordinated Notes, but subordinate to the *prêts participatifs* granted to the relevant Issuer and Ordinary Subordinated Notes.

(iv) Dated Subordinated Notes

Subordinated Notes (which terms, for the avoidance of doubt, include both Ordinary Subordinated Notes and Deeply Subordinated Notes) may have a specified maturity date (“**Dated Subordinated Notes**”).

(v) Undated Subordinated Notes

Subordinated Notes (which terms, for the avoidance of doubt, include both Ordinary Subordinated Notes and Deeply Subordinated Notes) may not have a specified maturity date (“**Undated Subordinated Notes**”).

(vi) Interest relating to Subordinated Notes

Unless otherwise specified in the relevant Final Terms, payments of interest relating to Subordinated Notes constitute obligations which rank equally with the obligations of the relevant Issuer in respect of Unsubordinated Notes issued by the relevant Issuer in accordance with Condition 4(A)(a).

If so specified in the relevant Final Terms, payments of interest relating to Subordinated Notes will be deferred in accordance with the provisions of Condition 6(h).

(vii) Payment of Subordinated Notes in the event of the liquidation of the Issuer

If any judgement is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the relevant Issuer or if the relevant Issuer is liquidated for any other reason, the payments of the creditors of the relevant Issuer shall be made in the following order of priority (in each case subject to the payment in full of priority creditors):

- (a) unsubordinated creditors of the Issuer (including holders of Unsubordinated Notes);
- (b) holders of Ordinary Subordinated Notes;
- (c) lenders in relation to *prêts participatifs* granted to the Issuer; and
- (d) holders of Deeply Subordinated Notes.

In the event of incomplete payment of unsubordinated creditors the obligations of the relevant Issuer in connection with Ordinary Subordinated Notes shall be terminated (then subsequently the lenders in relation to *prêts participatifs* and holders of Deeply Subordinated Notes). The holders of Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

The above order of priority which relates to the principal of Subordinated Notes will apply *mutatis mutandis* to interest payments depending on whether they are unsubordinated or subordinated and in the latter case whether they are ordinary subordinated or deeply subordinated.

(B) Status of the Guarantee:

The obligations of the Guarantor under the Guarantee, if any, constitute direct, unconditional and (unless the relevant Final Terms provides otherwise) unsubordinated and (subject to the provisions of Condition 5) unsecured obligations of the Guarantor and shall at all times rank (save for certain

obligations required to be preferred by law) equally and rateably with all other present or future unsecured and unsubordinated indebtedness and monetary obligations of the Guarantor.

5 Negative Pledge

So long as any of the Unsubordinated Notes or, if applicable, any Receipts or Coupons relating to them, remain outstanding (as defined in the Amended and Restated Agency Agreement), the relevant Issuer or, as the case may be, the Guarantor, will not create any mortgage, charge, pledge or other security interest (*sûreté réelle*) upon any of their respective assets or revenues, present or future, to secure any Relevant Indebtedness (as defined below) or any guarantee in respect of any Relevant Indebtedness (whether before or after the issue of Unsubordinated Notes) unless such Issuer's obligations under the Unsubordinated Notes, Receipts and Coupons are (i) secured equally and rateably with such Relevant Indebtedness or guarantee in respect thereof, or (ii) are given the benefit of such other security, guarantee or arrangement as shall be approved by the Noteholders in accordance with Condition 12.

For the purposes of this Condition:

"Relevant Indebtedness" means any indebtedness for borrowed money represented by bonds or notes (*obligations*) which are for the time being, or are capable of being, quoted, listed or ordinarily dealt in on any stock exchange or any other regulated securities market.

This Condition 5 shall not apply to Subordinated Notes.

- (c) **Interest on Floating Rate Notes and Index Linked Interest Notes:**

(i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear (except as otherwise provided in the relevant Final Terms) on each Interest Payment Date. unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the relevant Final Terms.

(A) ISDA Determination for Floating Rate Notes:

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms;
- (b) the designated Maturity is a period specified in the relevant Final Terms; and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (a) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (i) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or
 - (ii) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date

- (b) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (a)(i) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or, if sub-paragraph (a)(ii) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the

Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent; and

- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the euro-zone as selected by the Calculation Agent (the “**Principal Financial Centre**”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.
 - (a) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(e)(i)).
 - (b) **Dual Currency Notes:** In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating, a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.
 - (c) **Partly-Paid Notes:** In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the relevant Final Terms.
 - (d) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or

(ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(e) **Deferral of interest:** In the case of Subordinated Notes interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if the relevant Issuer so elects) the interest accrued in the Interest Period ending on the day immediately preceding such date but the relevant Issuer shall not have any obligation to make such payment and any such failure to pay shall not constitute a default under the Notes or for any other purpose. Notice of any Optional Interest Payment Date shall (for so long as the rules of any Stock Exchange so require) be given to the Noteholders in accordance with Condition 16 and to the relevant Stock Exchange. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute “Arrears of Interest” which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of the relevant Issuer, be paid in whole or in part at any time upon the expiration of not less than seven days’ notice to such effect given to the Noteholders in accordance with Condition 16 but all Arrears of Interest on all Subordinated Notes outstanding shall become due in full on whichever is the earliest of:

- (i) the Interest Payment Date immediately following the date upon which the *Assemblée Générale* passed a resolution to pay a dividend on the ordinary share capital of the Issuer and
- (ii) the commencement of a liquidation or dissolution of the relevant Issuer.

If notice is given by the relevant Issuer of its intention to pay the whole or part of Arrears of Interest, the relevant Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the French Code civil, after such interest has accrued for a period of one year) and compounding on the basis of the exact number of days which have elapsed at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

“**Compulsory Interest Payment Date**” means any Interest Payment Date unless at the *Assemblée Générale* of the shareholders of the relevant Issuer immediately preceding such date which was required to approve the annual accounts of the Issuer for the fiscal year ended prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on the ordinary share capital of the Issuer in respect of such previous fiscal year.

“**Optional Interest Payment Date**” means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

- (f) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding:**
- (i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph
 - (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be
 - (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (g) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (h) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts, Early Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such

determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the relevant Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (i) **Calculation Agent and Reference Banks:** The relevant Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in the Amended and Restated Agency Agreement). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the relevant Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the relevant Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Luxembourg office or any other office actively involved in such market) to act as such in its place. The

Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any option provided by the relevant Final Terms including any Issuer's option in accordance with Condition 7(c) or any Noteholders' option in accordance with Condition 7(d), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 7(b) below, its final Instalment Amount.
- (b) **Redemption by Instalments:** Unless previously redeemed, purchased and cancelled as provided in this Condition 7 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 7(c) or 7(d), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (c) **Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the relevant Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 16 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any Issuer's option (as may be described) in relation to, all or, if so provided, some, of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest), if any. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified in the relevant Final Terms and no greater than the maximum nominal amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Bearer Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

In the case of a partial redemption of or a partial exercise of an Issuer's option in respect of Dematerialised Notes of any Series, the redemption may be effected, at the option of the relevant Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully

redeemed and those Dematerialised Notes that will not be redeemed shall be made in accordance with Article R.213-16 of the Code and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and stock exchange requirements.

So long as the Notes are listed and admitted to trading on any Regulated Market and the rules of such Regulated Market so require, the relevant Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper with general circulation in the city where the Regulated Market is located or, so long as the Notes are listed and admitted to trading on the Luxembourg Stock Exchange and so long as the rules of the Luxembourg Stock Exchange so permit, on the website of the Luxembourg Stock Exchange (www.bourse.lu), a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes, a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

- (d) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms, the relevant Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption including, where applicable, any Arrears of Interest.

To exercise such option or any other Noteholders' option that may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Noteholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained from any Paying Agent, within the notice period. In the case of Materialised Bearer Notes, the Exercise Notice shall have attached to it the relevant Notes (together with all unmaturing Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Fiscal Agent or the Paying Agent with a specified office in Paris as specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

- (e) **Early Redemption:**

(i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 7(f) or Condition 7(j) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Note unless otherwise specified in the relevant Final Terms.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 7(f) or Condition 7(j) or upon it becoming due and

payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgement) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 6(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

- (ii) *Other Notes:* The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 7(f) or Condition 7(g), or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest) unless otherwise specified in the relevant Final Terms.

(f) Redemption for Taxation Reasons:

- (i) If, by reason of any change in, or any change in the official application or interpretation of, French law, becoming effective after the Issue Date, the relevant Issuer or, as the case may be, the Guarantor (in respect of the Guarantee), would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 9 below, the relevant Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 16, redeem all, but not some only, of the Notes at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the relevant Issuer or the Guarantor, as the case may be, could make payment of principal and interest without withholding for such French taxes.
- (ii) If the relevant Issuer or, as the case may be, the Guarantor (in respect of the Guarantee), would, on the next payment of principal or interest in respect of the Notes, be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9 below, then the relevant Issuer, shall forthwith give notice of such fact to the Fiscal Agent and the relevant Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 16, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount (as described in Condition 7(e) above) together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on the latest practicable Interest Payment Date on which the relevant Issuer or the Guarantor, as the case may be, could make payment of the full amount then due and payable in respect of the Notes or, if applicable, Receipts or Coupons, or, if that date is passed, as soon as practicable thereafter.

- (g) **Partly-Paid Notes:** Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the relevant Final Terms.
- (h) **Purchases:** The relevant Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Unless otherwise specified in the Final Terms, all Notes so purchased by the relevant Issuer may be held and resold for the purpose of enhancing the liquidity of the Notes in accordance with Articles L.213-1 A and D.213-1 A of the Code.
- (i) **Cancellation:** All Notes purchased by or on behalf of the relevant Issuer for cancellation shall forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering the Temporary Global Certificate or the Definitive Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the relevant Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the relevant Issuer and the Guarantor in respect of any such Notes shall be discharged.
- (j) **Illegality:** If, by reason of any change in French law or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful (i) for the relevant Issuer to perform or comply with one or more of its obligations under the Notes, [or (ii) for the Guarantor to perform or comply with one or more of its obligations under the Guarantee] the relevant Issuer [which in the case of (ii) above, shall be the issuer of the Notes guaranteed by the Guarantor] will, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 16, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption.

8 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Dematerialised Notes shall be made (i) (in the case of Dematerialised Notes in bearer dematerialised form or administered registered dematerialised form) by transfer to the account denominated in the relevant currency of the relevant Euroclear France Account Holders for the benefit of the relevant Noteholder and (ii), (in the case of Dematerialised Notes in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant Noteholder). All payments validly made to such Euroclear France Account Holders will constitute an effective discharge of the relevant Issuer in respect of such payments.
- (b) **Materialised Bearer Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Bearer Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 8(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 8(f)(vi)), as the case may be, at the

specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in US Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the relevant Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the relevant Issuer, any adverse tax consequence to the relevant Issuer or the Guarantor, if payment is being made under the Guarantee.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 9. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed under the Amended and Restated Agency Agreement and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Registration Agent and the Consolidation Agent act solely as agents of each Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuers reserve the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Registration Agent and the Consolidation Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuers shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) a Paying Agent having specified offices in at least one major European city, (v) such other agents as may be required by any other stock exchange on which the Notes may be listed and admitted to trading and (vi) a Paying Agent with a specified office in a European Union Member State that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments or any other EU Directive implementing the conclusions of the ECOFIN Council Meeting of 26th-27th November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such European Council Directive 2003/48/EC of 3 June 2003 and (vii) such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed and admitted to trading.

In addition, the Issuers (or the Guarantor, if payment is being made under the Guarantee) shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in US Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 15, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and

Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 16.

(f) **Unmatured Coupons and Receipts and unexchanged Talons:**

- (i) Unless Materialised Bearer Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Bearer Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 11) provided that, if any Materialised Bearer Note should be issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Note without any unmaturing Coupons attached thereto or surrendered therewith, the amount required to be deducted in respect of such unmaturing Coupons would be greater than the relevant Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Note, such unmaturing Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the foregoing provisions in respect of such Coupons as have not so become void, the amount required by this paragraph to be deducted would not be greater than the relevant Redemption Amount otherwise due for payment. Where the application of the foregoing provisions requires some but not all of the unmaturing Coupons relating to a Materialised Bearer Note to become void and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.
- (ii) If Materialised Bearer Notes so provide, upon the due date for redemption of any such Materialised Bearer Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Materialised Bearer Note that is redeemable in instalments, all Receipts relating to such Materialised Bearer Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Materialised Bearer Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any such Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer and the Guarantor, as the case may be, may require.

- (vi) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11) provided that, in respect of Notes listed and admitted to trading on the Luxembourg Stock Exchange, such exchange shall always take place at the specified office of the Fiscal Agent or of the Paying Agent, as a case may be.
- (h) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as “Financial Centres” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in euro, which is a TARGET Business Day.

9 Taxation

- (a) **Tax exemption for Notes:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law;
- (b) **Additional amounts:** If French law should require that payments of principal or interest in respect of any Note, Receipt or Coupon [or payments under the Guarantee] be subject to deduction or withholding in respect of any taxes or duties whatsoever, the relevant Issuer will [or, as the case may be, the Guarantor in the case of payments under the Guarantee], to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder or, if applicable, a Receiptholder or Couponholder, as the case may be, who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or

- (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder or, if applicable, the Receiptholder or Couponholder, as the case may be, would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
- (iii) **Payment to individuals:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) **Payment by another Paying Agent:** in respect of Definitive Materialised Bearer Notes, presented for payment by or on behalf of a holder of any Note, Receipt or Coupon, as the case may be, who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the EU.

As used in these Conditions, “**Relevant Date**” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of Arrears of Interest, references to “becomes due” shall be interpreted in accordance with the provisions of Condition 6(h)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note, Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 7 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all arrears of interest) payable pursuant to Condition 6 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

- (c) **Supply of information:** Each Noteholder shall be responsible for supplying, in a timely manner, any information as may be required in a timely manner in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council Meeting dated 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

10 Events of Default

The Representative (as defined under Condition 12(a)), upon request of any Noteholder, may, upon written notice to the relevant Issuer and the Fiscal Agent given before all defaults shall have been cured, cause the principal amount of all the Notes held by such Noteholder to become due and payable, together with accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent:

- (a) **Unsubordinated Notes:** In the case of Unsubordinated Notes:
 - (i) if the relevant Issuer defaults in any payment when due of principal or interest on any Note [or the Guarantor defaults in any payment when due under the Guarantee] (including the payment

of any additional amounts pursuant to the provisions set forth under “Taxation” above) if such default shall not have been cured within 15 days; or

- (ii) if there is a default by the relevant Issuer [or the Guarantor] in the due performance of any other provision of the Notes [or the Guarantee, as the case may be,] and such default shall not have been cured within 30 days after receipt by the Fiscal Agent of written notice of default given by the Representative upon request of the Noteholder; or
 - (iii) if any other present or future indebtedness of the relevant Issuer or the Guarantor for or in respect of monies borrowed in excess of Euro 50,000,000 (or its equivalent in any other currency), whether individually or collectively, becomes due and payable prior to its stated maturity as a result of a default thereunder, or any such indebtedness shall not be paid when due and payable or, as the case may be, within any originally applicable grace period thereof or any guarantee or indemnity in excess of such aforesaid amount given by the relevant Issuer or the Guarantor for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon, or, as the case may be, within 15 days of any originally applicable grace period; or
 - (iv) if L’Air Liquide or Air Liquide Finance makes any proposal for a general moratorium in relation to its debt or applies for the appointment of a mandataire *ad hoc* or enters into a conciliation procedure (*procédure de conciliation*) with its creditors or a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l’entreprise*) of L’Air Liquide or, to the extent permitted by applicable law, if L’Air Liquide or Air Liquide Finance is subject to any other insolvency or bankruptcy proceedings or if L’Air Liquide or Air Liquide Finance makes any conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition (*accord amiable*) with its creditors or if L’Air Liquide is wound up or dissolved; or
 - (v) [the Guarantee is not (or is claimed by the Guarantor not to be) in full force and effect.]
- (b) **Subordinated Notes:** In the case of Subordinated Notes and in accordance with Condition 4(A)(b), if any judgement shall be issued for the judicial liquidation (*liquidation judiciaire*) of the relevant Issuer or if the relevant Issuer is liquidated for any other reason then the Subordinated Notes shall become immediately due and payable, in accordance with Condition 4(A)(b), at their principal amount together with any accrued interest to the date of payment.

11 Prescription

Claims against the relevant Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

12 Representation of Noteholders

Except as otherwise provided by the relevant Final Terms, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the “**Masse**”). The *Masse* will be governed by the provisions of the French *Code de commerce* with the exception of Articles L.228-48, L.228-59, , L.228-65 II, R.228-63, R.228-67, R.228-69 and R.228-72 subject to the following provisions:

- (a) **Legal Personality:** The *Masse* will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the Noteholders (the “**General Meeting**”).

The *Masse* alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(b) **Representative:** The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the relevant Issuer, the members of its Board of Directors (*Conseil d'administration*), its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their ascendants, descendants and spouses; or
- (ii) companies guaranteeing all or part of the obligations of the relevant Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors (*Conseil d'administration*), their statutory auditors, or employees as well as their ascendants, descendants and spouses; or
- (iii) companies holding 10 per cent. or more of the share capital of the relevant Issuer or companies having 10 per cent. or more of their share capital held by the relevant Issuer; or
- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representative of the *Masse* and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single *Masse* of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the relevant Issuer and the specified offices of any of the Paying Agents.

(c) **Powers of the Representative:** The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not interfere in the management of the affairs of the Issuer.

(d) **General Meeting:** A General Meeting may be held at any time, on convocation either by the relevant Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the relevant Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, time, place and agenda of any General Meeting will be published as provided under Condition 16 not less than 15 days prior to the date of such General Meeting.

Each Noteholder has the right to participate in a General Meeting in person, by proxy, correspondence, or, if the *statuts* of the relevant Issuer so specify², videoconference or any other means of telecommunications allowing the identification of the participating Noteholders. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

- (e) **Powers of the General Meetings:** The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (charges) to Noteholders, nor establish any unequal treatment between the Noteholders, nor to decide to convert Notes into shares.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least one fifth of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a simple majority of votes cast by Noteholders attending such General Meetings or represented thereat.

In accordance with Article R. 228-71 of the French Code de commerce, the rights of each holder of a Note to participate in a General Meeting must be evidenced by entries in the books of the relevant Account Holder of the name of such holder of a Note on the third business day in Paris preceding the date set for the relevant General Meeting at 0.00, Paris time.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 16.

- (f) **Information to Noteholders:** Each Noteholder or Representative thereof will have the right, during the 15-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the relevant Issuer, at the specified offices of any of the Paying Agents during normal business hours and at any other place specified in the notice of the General Meeting.
- (g) **Expenses:** The relevant Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.
- (h) **Single Masse:** The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first mentioned Series in accordance with Condition 15, shall, for the defence of their respective common interests, be grouped in a single Masse.

²² At the date of this Debt Issuance Programme Prospectus, the *statuts* of the Issuers do not contemplate the right for a Noteholder to participate in a General Meeting by videoconference or any other means of telecommunication allowing the identification of the participating Noteholders.

The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all such Series.

For the avoidance of doubt, in this Condition 12, the term “**outstanding**” shall not include those Notes subscribed or purchased by the relevant Issuer pursuant to Article L.213-1 A of the Code that are held by it and not cancelled.

13 Modifications

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

The Amended and Restated Agency Agreement will be capable of amendment or waiver by the parties thereto, without the consent of Noteholders, Receiptholders or Couponholders, for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained therein or in any manner which the parties to the Amended and Restated Agency Agreement mutually deem necessary or desirable and which does not, in the reasonable opinion of such parties, adversely affect the interests of the Noteholders, Receiptholders or Couponholders.

14 Replacement of definitive Notes, Receipts, Coupons and Talons

If, in the case of any Materialised Bearer Notes, a Definitive Materialised Bearer Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the relevant Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Bearer Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the relevant Issuer in respect of such Definitive Materialised Bearer Notes, Receipts, Coupons or further Coupons) and otherwise as the relevant Issuer may require. Mutilated or defaced Materialised Bearer Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

15 Further Issues and Consolidation

- (a) **Further Issues:** Unless otherwise specified in the relevant Final Terms, the relevant Issuer may, without the consent of the Noteholders, Receiptholders or Couponholders create and issue further Notes to be assimilated (*assimilées*) with the Notes provided such Notes and the further Notes carry rights identical in all respects (or in all respects save for the principal amount thereof and the first payment of interest specified in the relevant Final Terms) and that the terms of such Notes provide for such assimilation and references in these Conditions to “Notes” shall be construed accordingly.
- (b) **Consolidation:** The relevant Issuer, with the prior approval of the Consolidation Agent, may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than 30 days’ prior notice to the Noteholders in accordance with Condition 16, without the consent of the Noteholders, Receiptholders or Couponholders, consolidate the Notes of one Series with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in euro, provided such other Notes have been redenominated in euro (if not originally denominated in euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

16 Notices

- (a) Notices to the holders of Dematerialised Notes in registered form (*au nominatif*) shall be valid if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the mailing, or, (ii) they are published (a) so long as such Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so permit, on the website of the Luxembourg Stock Exchange (www.bourse.lu) or, (b) at the option of the relevant Issuer, in a leading daily newspaper with general circulation in Europe (which is expected to be the *Financial Times*) and so long as such Notes are listed and admitted to trading on any stock exchange including any Regulated Market and the rules of such stock exchange(s) so require, in a leading daily newspaper with general circulation in the city/ies where the stock exchange(s) on which such Notes are listed and admitted to trading is located, which in the case of the Luxembourg Stock Exchange is expected to be the *Luxemburger Wort*.
- (b) Notices to the holders of Materialised Bearer Notes and Dematerialised Notes in bearer form (*au porteur*) shall be valid if published (i) so long as such Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so permit, on the website of the Luxembourg Stock Exchange (www.bourse.lu), or (ii) at the option of the relevant Issuer, shall be valid if published in a daily leading newspaper with general circulation in Europe (which is expected to be the *Financial Times*) and so long as such Notes are listed and admitted to trading on any stock exchange, in a leading daily newspaper with general circulation in the city/ies where the stock exchange(s) on which such Notes are listed and admitted to trading is located, which, in the case of the Luxembourg Stock Exchange, is expected to be the *Luxemburger Wort*.
- (c) If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Materialised Bearer Notes in accordance with this Condition.

RECENT DEVELOPMENTS OF L’AIR LIQUIDE SINCE 1 JANUARY 2011

Shareholders’ Meeting of 4 May 2011

The shareholders’ meeting held on 4 May 2011 duly approved all ordinary and extraordinary resolutions submitted to its decision.

Business of L’Air Liquide - Recent Developments since 1 January 2011

The Group pursued its growth strategy based on the strengthening of its presence in emerging economies (particularly China and India) and the development of healthcare/homecare activities:

Asia:

- To accompany the growing development of the Indian economy, the Air Liquide Group announced new developments in the west of the country. The total investment for the new facilities and the supply chain amounts to more than €40 million. The Air Liquide Group has commissioned a new state-of-the-art Air Separation Unit (ASU) to produce gaseous nitrogen for the new float glass plant of Sezal Glass Ltd. in Jhagadia, in Gujarat (investment announced in January 2010). The Air Liquide Group also invested in a new unit producing nitrogen for the new carbon fibre plant of Kemrock Industries & Exports Ltd., a leader in reinforced polymer composite in India. Additionally, the Air Liquide Group will invest in an Air Separation Unit and cylinder filling station in Pune, in Maharashtra. When commissioned in 2012, the ASU is expected to produce over 200 tonnes per day of liquid nitrogen and oxygen dedicated to the industrial and medical markets. Pune is one of the major auto manufacturing hubs of India.
- Following the natural disaster that struck Japan on 11 March 2011, the Air Liquide Group 2,700 employees in the country, all of whom are safe, remained committed in ensuring operational continuity. In this state of emergency, the crisis management team at the Group headquarters, under the direct leadership of the General Management, monitored the situation closely. The Group’s priority was to ensure the safety of its teams and to continue supplying its customers, particularly at this critical stage. Due to aftershocks, interruptions in the supply of electricity and difficult logistics, the Air Liquide Group Headquarters in Tokyo has been temporarily closed. During that time, the teams required to ensure operational continuity have been relocated to the Osaka region.
- The Air Liquide Group announced it would invest €22 million in the construction and operation of a new Air Separation Unit (ASU) in the Calamba Premiere Industrial Park, in the Philippines. The new ASU, to be commissioned by year-end 2012, will produce gaseous nitrogen as well as more than 200 tonnes per day of liquid gases, mainly oxygen and nitrogen, to address increasing demand from high-tech manufacturers in the Luzon area. This unit will reinforce the availability and reliability of the Air Liquide Group supply chain in the country. The new ASU will benefit customers that include Samsung Electro-Mechanics Philippines Corporation (SEMPHIL), which recently awarded the Air Liquide Group a new long-term contract for the supply of industrial gases. The Air Liquide Group has been working with SEMPHIL since 2000.
- The Air Liquide Group reinforced its leading position in the supply of gases and precursors to the solar photovoltaic manufacturers by signing 15 new long-term contracts with photovoltaic industry leaders in China, Taiwan and Japan. Leading solar panel manufacturers around the world and in Asia in

particular are continuing to add significant new production capacities to cope with such growth, while pursuing vertical integration to lower their costs. Photovoltaic installations are expected to contribute approximately 5% of worldwide electricity generation by 2020, providing greenhouse-gas free energy to nearly 1 billion people. In this context, In China in particular, the Air Liquide Group strengthened its position with six out of seven c-Si solar cells market leaders, by signing numerous new supply agreements. In Taiwan, the Air Liquide Group signed long-term supply contracts with three out of four market leaders. In Japan, the Air Liquide Group signed a supply agreement for the new fab of a leading c-Si industry solar cells maker.

- The Air Liquide Group announced that it had signed a long-term agreement with IRICO Electronics to supply oxygen to its new glass plant located in the Hefei Xinzhan Comprehensive Experiment Zone (Anhui province, China) where many high-tech industries (semiconductors, thin-Film Transistor Crystal Display industry, plasma display panels, etc) are setting up bases. IRICO Electronics' plant will produce glass for the photovoltaic market. The Air Liquide Group will invest in an Air Separation Unit (ASU) with a capacity of 770 tonnes of oxygen per day in the same industrial zone. The ASU, which will be commissioned at the end of 2012, will also produce gaseous nitrogen, and liquid oxygen, nitrogen and argon for the dynamic local industrial market. The Air Liquide Group has also recently commissioned a large high-purity nitrogen plant in this zone to supply carrier gases through pipelines to the flat display panel plant of BOE (Beijing Oriental Electronics Technology Group). Air Liquide's total investment in the industrial basin of Hefei will come to around €50 million. The photovoltaic project is a major investment for IRICO Electronics in Hefei. Full oxygen technology brings energy efficiencies as well as reducing nitrous oxides (NOx) emissions. In addition, new glass production lines will be built as IRICO aims to build in Hefei a large solar photovoltaic glass factory.

Middle East:

- Saudi Aramco and Air Liquide Arabia announced that they have signed a new long-term nitrogen supply agreement for Saudi Aramco's operations in Qurayyah, in the Eastern Province. This nitrogen will be used by Saudi Aramco in the processing of seawater related to oil production. Air Liquide Arabia will invest more than USD 35 million (more than €25 million) in two Air Separation Units with a total production capacity of 500 tonnes per day. The facility will be designed and built by Air Liquide Group Engineering teams and commissioned in 2012. It will also support growing industrial merchant needs in the Eastern Province. The Kingdom of Saudi Arabia is the largest economy in the Middle East. Growth is driven by the expansion of the refining and petrochemical industries and the development of infrastructure projects.. This new contract follows Air Liquide Arabia's signature of a hydrogen supply agreement in September 2010 for Saudi Aramco's large-scale refinery in Yanbu. Also in Saudi Arabia, Air Liquide Al Khafrah Industrial Gases has started up a new high purity filling center in Dammam to deliver specialty gases to its key petrochemical customers. The investment amount for these new capabilities and the supply chain for bulk gases is USD 10 million (more than €7 million).

South America:

- The Air Liquide Group has decided to invest in a new air gases plant in the Santiago region, close to Chile's main markets. The new unit will be commissioned mid-2013. This plant will significantly enhance the Group's supply chain in the region and will offer customers greater flexibility, cost competitiveness and reliability. This plant, representing an investment of approximately €25 million (USD 35 million), will have a production capacity of nearly 150 tonnes per day of liquid oxygen, nitrogen and argon and allow the Group to meet the growing needs for liquid and cylinder gases of the Industrial Merchant and Healthcare markets in the Central and Southern regions of Chile. The Chilean economy is one of the most dynamic in Latin America. The market growth is driven by investment in

the mining industry, an export-driven food industry and increasing requirements for environment protection, the health and well-being of its citizens.

North America:

- The Air Liquide Group announced it will provide the liquid hydrogen, filling station and infrastructure to power the forklift fleet at Coca-Cola's 250,000 square foot facility. Hydrogen fuel cell powered forklift trucks represent an important segment of the hydrogen energy market. These types of vehicles are virtually greenhouse gas emissions free. This agreement is the Air Liquide Group's second hydrogen fuelling installation of this type in North America that combines the hydrogen supply and refilling expertise of the Air Liquide Group with Plug Power's GenDrive® fuel cell solution. The first such agreement was the Air Liquide Group's forklift installation at Walmart Canada's sustainable distribution centre in Alberta, Canada. In 2010, the Air Liquide Group has provided more than 40,000 hydrogen fills worldwide.

Europe:

- The Group announced the signature of a new long-term agreement with Severstal, Russia's leading steel producer. Metallurgy is one of the main industrial sectors in Russia making a strong and growing contribution to the country's economy. The Air Liquide Group will supply oxygen, nitrogen and argon to Severstal's new steel plant in Balakovo, located in the region of Saratov (Volga Federal District). The Air Liquide Group will invest, build and operate in Balakovo a new state-of-the-art Air Separation Unit (ASU) with a capacity of more than 300 tonnes per day of oxygen, which is scheduled to start up at year-end 2012. The Air Liquide Group plant will also produce liquid oxygen, liquid nitrogen and liquid argon to serve the needs of other industrial customers in the regions of Saratov and Samara. The Air Liquide Group investment amounts to a total of €40 million for the production facilities and supply chain altogether.
- The Air Liquide Group has significantly strengthened its position in the Polish industrial gases market in 2010 and announced the commissioning of two air separation units in Poland, both of the standardised YangO2 type, located in Zakłady Azotowe in Puławy. The new air separation units are the biggest liquid and gas source in Central and Eastern Poland, with an aggregate production capacity of around 1,700 tonnes per day. This investment is included in the €100 million overall investment in Poland announced in June 2010. The new facilities will meet the growing needs of existing customers and potential clients. Poland is one of the largest economies in Central Europe. Its GDP expanded by 1.3 percent in the third quarter of 2010 alone. Together, the Air Liquide Group's air separation units, located in Dąbrowa Górnicza, Kraków and Puławy, represent today some of the largest production capacity in industrial gases in Poland.
- L'Air Liquide reinforced its leading position in the supply of gases and precursors to the solar photovoltaic manufacturers by signing new long-term contracts with photovoltaic industry leaders in Germany. The Air Liquide Group has been awarded to supply a major CIGS manufacturer in Germany. These latest contracts make the Group the supplier of over 150 photovoltaic customers worldwide, with an overall manufacturing capacity well above 20GWp per year.
- The Air Liquide Group was a technological partner of the 11th Challenge Bibendum, organised by Michelin in Berlin in May 2011 and gathering five thousand representatives from business, industry and the scientific community to explore the challenges and solutions for sustainable road mobility. As such, the Group set up a hydrogen station based on patented Air Liquide Group technologies, allowing hydrogen-powered vehicles to fuel up in less than 5 minutes, for a driving range that can reach up 500 kilometres for some vehicles. Over the last four years, around 50 Air Liquide Group stations have been

installed throughout the world to date. In 2010, the Air Liquide Group provided more than 40,000 hydrogen fills.

- The Air Liquide Group has just signed a long-term contract in Ukraine with EMZ, a subsidiary of Metinvest to supply industrial gases to its iron and steel plant based in Yenakiyev (Donetsk Oblast). The Group will invest in a new state-of-the-art Air Separation Unit (ASU) with a production capacity of 1,700 tonnes per day of oxygen, nitrogen and argon. The ASU will be designed, built and operated by the Air Liquide Group; the commissioning is planned mid-2014. The Group will also supply liquid gases to other industries in the country. Metinvest is the recognized mining and steel industry leader in Ukraine. It is already the 5th largest iron-ore producer in the world, and produces 14 million tons per year of crude steel. The Group comprises mining and steel production facilities located in Ukraine, in Europe and the USA and has a sales network covering all key global markets. The overall investment for the Group is around €100 million and will be financed with the support of the EBRD (European Bank for Reconstruction and Development). Ukraine has an attractive potential for developing an industrial gases business. It ranks 5th worldwide in terms of iron-ore reserves and metallurgy is one of Ukraine's most important industrial sectors.

Healthcare/Homecare:

- The Air Liquide Group, the European homecare leader, announced the acquisition in France of ADEP Assistance, a specialist in home respiratory healthcare. Ageing population and the rise of chronic diseases, both major public health challenges, lead to the development of homecare. The market for home respiratory assistance in Europe alone amounts to over €2 billion. Created more than 40 years ago within the French Association for polio sufferers and the disabled (ADEP), ADEP Assistance today takes care of nearly 13,000 chronic patients in the regions of Ile de France and Picardie, with a highly-qualified multidisciplinary team of about 140 employees. It reached a turnover of €21 million in 2009. ADEP Assistance is recognised for the quality of its services in home respiratory assistance, in particular invasive and non-invasive ventilation, and for its expertise in paediatrics and the treatment at home of patients with severely disabling diseases requiring sophisticated equipment (for example neuromuscular diseases). It is a pioneer in the care of tracheotomised and ventilated patients.

Q1 2011 results and outlook

Group revenue in the 1st quarter 2011 was 3,543 million euros, up +12.4% as published. Gas & Services sales reached 3,185 million euros, an increase of +11.4% on a comparable basis. This trend is consistent with the strong growth momentum of recent quarters and reflects the strength of customer consumption. Gas & Services sales are still characterized by differentiated growth rates: sustained in Advanced Economies (+8% on a comparable basis to the 1st quarter 2010) and very dynamic in Developing Economies (+30%). The impact of recent events in Japan, Africa and the Middle East has been very limited.

The performance for the quarter is in line with the objectives of the ALMA 2015 program, in a more inflationary environment. Net debt remains stable.

Commenting on the 1st quarter 2011, Benoît Potier, Chairman and CEO of the Air Liquide Group, stated:

“This 1st quarter is characterized by strong growth in revenue from Gas & Services, which logged its highest-ever sales figure. It is a confirmation of the growth momentum undertaken by the Group and of the positive outlook for gas-consuming markets. As an indicator of medium term growth, the signing of new contracts has continued at a strong pace: the high level of investment decisions, totaling nearly €500 million for the 1st quarter, is evidence of the trend. These contracts illustrate the Group’s ability to stake out positions in new

geographies or market sectors such as Energy and the Environment. The diversity in our global footprint and in our markets, the pursuit of our efficiency programs and our solid balance sheet are key assets for implementing our ALMA 2015 program. In this context, L'Air Liquide is confident in its ability to continue to generate steady growth of net profit in 2011”

DESCRIPTION OF THE GUARANTEE

1 Nature of the Guarantee

1.1 Main Provisions

L’Air Liquide (the “**Guarantor**”) granted through the execution of a Guarantee Agreement dated 17 July 2008 an irrevocable and unconditional guarantee (the “**Guarantee**”) up to a maximum principal amount of €6,000,000,000 plus any amount of interest due under the Notes issued by Air Liquide Finance. As at the date of this Debt Issuance Programme Prospectus, the Guarantee remains in full force and effect.

The Guarantor shall be liable under this Guarantee as if it was the sole principal issuer under the terms and conditions of the Notes issued by Air Liquide Finance. The Guarantor waives under the Guarantee any requirement that the Noteholder, in the event of any default in payment by the Issuer first makes demand upon or seeks to enforce remedies against the Issuer before seeking to enforce this Guarantee. Furthermore, for so long as any amount remains payable in respect of the Notes, the Guarantor will not exercise any right of subrogation against the Issuer pursuant to this Guarantee or take any other action that would result in asserting claims of the Guarantor at the same time as claims of the Noteholder.

1.2 Additional Provisions

The Guarantor will not be discharged under the Guarantee by the merger, dissolution or transfer of the assets of the Issuer. Moreover, if at any time when any amount remains payable in respect of the Notes, or if applicable, the receipts or coupons relating thereto, the Guarantor shall grant any mortgage (*hypothèque*), pledge or other security interest (*sûreté réelle*) upon any of its assets or revenues, present or future to secure any Relevant Indebtedness (as defined in the terms and conditions of the Notes), incurred or guaranteed by it, the Guarantee shall be secured by the same ranking security.

2 Scope of the Guarantee

The Guarantee shall secure the payment of interest and principal due under the Notes, when and as the same becomes due and payable (including any additional amounts required to be paid pursuant to the terms of the Notes), by Air Liquide Finance, whether at maturity, upon redemption (voluntary or mandatory) by acceleration of maturity. The Guarantor undertakes to pay any sum due under the Notes and unpaid by the Issuer in accordance with the terms and conditions of the Notes.

3 Information to be disclosed about the Guarantor

All material information about the Guarantor has been provided in this Debt Issuance Programme Prospectus.

4 Documents on Display

The Guarantee shall be available in accordance with section “General Information”.

TAXATION

EU TAXATION

The following is a summary limited to certain tax considerations applicable under the laws of the European Union relating to the Notes that may be issued under the Programme. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in, or ownership and disposition of, the Notes.

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the “**Directive**”). Pursuant to the Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, inter alia, details of payments of interest within the meaning of the Directive (interest, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State (the “**Disclosure of Information Method**”).

For these purposes, the term “paying agent” is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withhold an amount on interest payments. The rate of such withholding tax is currently 20 per cent. and will be increased to 35 per cent. as from 1 July 2011 until the end of the transitional period.

Such transitional period will end at the end of the first full fiscal year following the later of (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and the last of Switzerland, Liechtenstein, San Marino, Monaco and Andorra, providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the “**OECD Model Agreement**”) with respect to interest payments within the meaning of the Directive, in addition to the simultaneous application by those same countries of a withholding tax on such payments at the rate applicable for the corresponding periods mentioned above and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Directive.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

The European Commission published a detailed proposal for amendments to the Savings Directive, which included a number of suggested changes. If any of these proposed changes are made in relation to the Savings Directive they may amend or broaden the scope of the requirements described above.

LUXEMBOURG – TAXATION

The following is a general description of certain tax laws relating to the Notes as in effect and as applied by the relevant tax authorities as at the date hereof and does not purport to be a comprehensive discussion of the tax treatment of the Notes.

Prospective investors should consult their own professional advisers on the implications of making an investment in, holding or disposing of Notes and the receipt of interest with respect to such Notes under the laws of the countries in which they may be liable to taxation.

Withholding tax

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to certain individual Noteholders and to certain entities, there is no Luxembourg withholding tax on payments of interest, including accrued but unpaid interest. There is also no Luxembourg withholding tax, with the possible exception of payments made to certain individual Noteholders and to certain entities, upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Notes.

Individuals

Luxembourg non-resident individuals

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 mentioned below, there is no withholding tax on payments of principal, premium or interests made to non-resident Noteholders, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident Noteholders.

Under the Luxembourg laws dated 21 June 2005 implementing the European Council Directive 2003/48/EC on the taxation of savings income (the “**Directive**”) and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union (“**EU**”), a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State or in certain EU dependant or associated territories, unless the beneficiary of the interest payments elects for the procedure of exchange of information or for the tax certificate procedure. The same regime applies to payments of interest and other similar income made to certain “residual entities” within the meaning of Article 4.2 of the Directive established in a Member State or in certain EU dependent or associated territories (i.e., entities which are not legal persons (the Finnish and Swedish companies listed in Article 4.5 of the Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, that are not UCITS recognised in accordance with the Council Directive 85/611/EEC or similar collective investment funds located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands and have not opted to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC).

The withholding tax rate is 20 per cent. increasing to 35 per cent. as from 1 July 2011. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain third countries.

Luxembourg resident individuals

Interest payments made by European-based paying agents (defined in the same way as in the Directive) to Luxembourg individual residents or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC or for the exchange of information regime) are subject to a 10 per cent. withholding tax.

FRANCE – TAXATION

The following is a summary limited to certain tax considerations in France relating to the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the securities

withheld at source. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in, or ownership and disposition of, the Notes.

The Directive was implemented into French law under Article 242 *ter* of the French *Code Général des Impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Notes issued as from 1 March 2010

Payments of interest and other revenues made by the Issuer with respect to Notes issued on or after 1 March 2010 (other than Notes (described below) which are assimilated to (*assimilables* for the purpose of French law), and form a single series with, Notes issued prior to 1 March 2010 benefitting from the exemption from withholding tax of Article 131 *quater* of the French *Code Général des Impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code Général des Impôts* unless such payments are made outside France in a non-cooperative State or territory (Etat ou territoire non coopératif) within the meaning of Article 238-0 A of the French *Code Général des Impôts* (a “**Non-Cooperative State**”). If such payments under the Notes are made in a Non-Cooperative State, a 50% withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code Général des Impôts*.

Furthermore, according to Article 238 A of the French *Code Général des Impôts*, interest and other revenues on such Notes will not be deductible from the Issuer's taxable income, if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code Général des Impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* 2 of the French *Code Général des Impôts*, at a rate of 25% or 50% (subject to the more favourable provisions of any applicable double tax treaty).

Notwithstanding the foregoing, neither the 50% withholding tax set out under Article 125 A III of the French *Code Général des Impôts* nor, to the extent the relevant interest or other revenues relate to genuine transactions and are not in an abnormal or exaggerated amount, the non-deductibility set out under Article 238 A of the French *Code Général des Impôts* will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the “**Exception**”). Pursuant to the ruling (*rescrit*) no. 2010/11 (FP and FE) of the French tax authorities dated 22 February 2010, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State be able to benefit from the Exception.

Notes issued before 1 March 2010 and Notes which are assimilated to (*assimilables* for the purpose of French law) Notes issued before 1 March 2010

Payments of interest and other revenues with respect to (i) Notes issued (or deemed issued) outside France as provided under Article 131 *quater* of the French *Code Général des Impôts*, before 1 March 2010 and (ii) Notes which are assimilated to (*assimilables* for the purpose of French law), and form a single series with, such Notes referred to under (i) above, will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code Général des Impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting obligations under French law, or *titres de créance négociables* within the meaning of rulings (*rescrits*) no. 2007/59 (FP) and no. 2009/23 (FP) of the French tax authorities dated 8 January 2008 and 7 April 2009, respectively, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code Général des Impôts*, in accordance with Circular 5 I-11-98 of the French tax authorities dated 30 September 1998 and the aforementioned rulings (*rescrits*) no. 2007/59 (FP) and no. 2009/23 (FP).

In addition, interest and other revenues paid by the Issuer on Notes issued before 1 March 2010 (or Notes issued after 1 March 2010 and which are to be assimilated to (*assimilables* for the purpose of French law), and form a single series with, such Notes) will be subject neither to the non-deductibility set out under Article 238 A of the French *Code Général des Impôts* nor to the withholding tax set out in Article 119 *bis* 2 of the French *Code Général des Impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

See “Terms and Conditions of the Notes - Taxation”.

SUBSCRIPTION AND SALE

Summary of Amended and Restated Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 24 June 2011 (the “**Amended and Restated Dealer Agreement**”) between L’Air Liquide, Air Liquide Finance, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis to the Permanent Dealers. Each Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the relevant Issuer through the Dealers, acting as agents of such Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

L’Air Liquide and Air Liquide Finance will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it unless otherwise agreed. L’Air Liquide and Air Liquide Finance have agreed to reimburse the Arranger for certain of its expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

L’Air Liquide and Air Liquide Finance have agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the relevant Issuer.

In relation to each Member State of the European Economic Area which has implemented the Directive 2003/71/EC (the “**Prospectus Directive**”) (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”), it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Debt Issuance Programme Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

ending on the dates specified in such prospectus or final terms and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;

- (ii) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (iii) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (iv) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (ii) to (iv) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression Prospectus Directive means Directive 2003/71/EC (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU .

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer or the Guarantor; and

These selling restrictions may be modified by the agreement of L'Air Liquide, Air Liquide Finance and the Dealers following a change in a relevant law, regulation or directive. Any such modification or supplement will be set out in the Final Terms issued in respect of the issue of Notes to which it relates or in a supplement to this Debt Issuance Programme Prospectus.
