Ordinary General Meeting

First Resolution *(Approval of the Company financial statements for the fiscal year ended December 31, 2024)*

The General Meeting, deliberating according to the quorum and majority required for Ordinary General Meetings, having noted:

- the Reports of the Board of Directors and the Statutory Auditors;
- the Company's financial statements, income statement, balance sheet and notes thereto,

approves the Company financial statements for the year ended December 31, 2024 as presented, and approves the transactions reflected in these Financial Statements or mentioned in these Reports.

The General Meeting determines the amount of net earnings for the fiscal year to be 1,988,367,232 euros.

Second Resolution *(Approval of the consolidated financial statements for the fiscal year ended December 31, 2024)*

The General Meeting, deliberating according to the quorum and majority required for Ordinary General Meetings, having noted:

- the Reports of the Board of Directors and the Statutory Auditors;
- the Group's consolidated financial statements,

approves the consolidated financial statements for the year ended, December 31, 2024, as presented.

Third Resolution *(Appropriation of 2024 earnings; setting of the dividend)*

The General Meeting, deliberating according to the quorum and majority required for Ordinary General Meetings, having noted that, considering the fiscal year 2024 earnings of 1,988,367,232 euros and the retained earnings of 2,928,304,551 euros as of December 31, 2024, distributable earnings for the fiscal year amount to a total of 4,916,671,783 euros, approves the proposals of the Board of Directors regarding the appropriation of earnings. The General Meeting hereby decides to appropriate distributable earnings as follows:

Legal reserve	29,558,367 euros
Retained earnings	2,924,911,718 euros
Dividend (including the loyalty dividend)	1,962,201,698 euros

Hence, a dividend of 3.30 euros shall be paid to each of the shares conferring entitlement to a dividend, it being specified that, in the event of a change in the number of shares conferring entitlement to a dividend compared to the 578,259,263 shares making up the share capital as of December 31, 2024, the overall dividend amount would be adjusted accordingly and the amount appropriated to the retained earnings account would be determined on the basis of the dividend effectively paid.

The dividend will be paid on May 21, 2025:

- for direct registered shares: directly by the Company;
- for intermediary registered shares, as well as for bearer shares which are registered in Shareholder accounts: by the authorized intermediaries to which the management of these shares has been entrusted.

The dividend distributions made with respect to the last three fiscal years are as follows:

	Total amount distributed ^(a) (in euros)	Number of shares concerned ^(b)	Dividend distributed eligible in its entirety for the 40% deduction referred to in article 158-3-2° of the French Tax Code ^(c) (in euros)
Fiscal year 2021			
Ordinary dividend	1,378,344,007	475,291,037	2.90
Loyalty dividend	39,148,116	134,993,503	0.29
Fiscal year 2022			
Ordinary dividend	1,544,178,299	523,450,271	2.95
Loyalty dividend	43,256,757	149,161,232	0.29
Fiscal year 2023			
Ordinary dividend	1,678,453,690	524,516,778	3.20
Loyalty dividend	46,502,649	145,320,778	0.32

(a) Theoretical values calculated based on the number of shares as of December 31 for each fiscal year.

(b) Number of shares expressed historically as of December 31 for each fiscal year.

The amounts effectively paid after adjustment were as follows:

- fiscal year 2021 – ordinary dividend: 1,372,465,400 euros for 473,263,931 shares; loyalty dividend: 39,396,398 euros for 135,849,648 shares;
- fiscal year 2022 – ordinary dividend: 1,540,365,457 euros for 522,157,782 shares; loyalty dividend: 42,571,128 euros for 146,796,994 shares;
- fiscal year 2023 – ordinary dividend: 1,672,929,059 euros for 522,790,331 shares; loyalty dividend: 47,719,730 euros for 149,124,155 shares.

The adjustment especially arises from the change in the number of treasury shares, from the final determination of the loyalty dividend taking into account the divestiture of shares between January 1 and the ex-dividend date, from the exercise of options over this same period and the capital increase reserved for employees.

(c) Applicable, under certain conditions, when the progressive income tax rate is chosen.

Pursuant to the provisions of the articles of association, a loyalty dividend of 10%, i.e. 0.33 euros per share with a par value of 5.50 euros, shall be granted to shares which have been held in registered form since December 31, 2022, and which remain held in this form continuously until May 21, 2025, the dividend payment date.

In accordance with article 117 quater of the French Tax Code, it is specified that ordinary and loyalty dividends paid to individuals with their tax residence in France are fully subject to the single flat-rate withholding tax of 12.8%. Nonetheless, at the express, irrevocable and global request of the Shareholder, these dividends may be subject to the progressive income tax rate and shall therefore be eligible for the 40% allowance referred to in section 2° of paragraph 3 of article 158 of the French Tax Code, which is applicable under certain conditions. In all cases, these ordinary and loyalty dividends shall also be subject to social contributions at a rate of 17.2%.

The total amount of the loyalty dividend for the 163,473,123 shares which have been held in registered form since December 31, 2022, and which remained held in this form continuously until December 31, 2024, amounts to 53,946,131 euros.

The total loyalty dividend corresponding to those of the 163,473,123 shares that cease to be held in registered form between January 1, 2025 and the May 21, 2025 dividend payment date, shall be deducted from the aforementioned amount.

Fourth Resolution *(Authorization granted to the Board of Directors for a period of 18 months to allow the Company to trade in its own shares)*

The General Meeting, deliberating according to the quorum and majority required for Ordinary General Meetings, having noted the Board of Directors' Report, in accordance with articles L. 22-10-62 *et seq.* of the French Commercial Code and the directly applicable provisions of European Commission Regulation No. 596/2014 of April 16, 2014, authorizes the Board of Directors to allow the Company to repurchase its own shares in order to:

- cancel them, subject to the adoption of the fifteenth resolution;

- tender them following the exercise of rights attached to marketable securities conferring entitlement to Company shares by redemption, conversion, exchange, presentation of a warrant or any other means;
- implement (i) any share purchase option plans or (ii) plans for free share attributions, or (iii) any employee share ownership transactions reserved for members of a Company Savings Plan, performed under the terms and conditions set forth in articles L. 3331-1 *et seq.* of the French Labor Code through the divestiture of shares bought back previously by the Company under this resolution, or providing for free share attributions in respect of a contribution in shares by the Company and/or to replace the discount, or (iv) share grants to employees and/or Company Officers and those of affiliated companies;
- retain the shares for subsequent delivery (as exchange, payment, or otherwise) in the context of external growth transactions subject to a limit of 5% of the number of shares making up the share capital of the Company;
- maintain an active market in the Company's shares pursuant to a liquidity contract in accordance with the market practice recognized by the French financial market authority.

The buyback by the Company of its own shares shall be also intended to enable the implementation of any market practice that may be permitted by the French financial market authority and, more generally, the achievement of any other transaction which would comply with the regulations in force. In this case, the Company would inform its Shareholders by means of a press release.

The General Meeting sets the maximum purchase price at 300 euros (excluding acquisition costs) per share with a par value of 5.50 euros, and the maximum number of shares that can be bought back at 10% of the total number of shares making up the share capital as of December 31, 2024, i.e. 57,825,926 shares with a par value of 5.50 euros, for a maximum total amount of 17,347,777,800 euros, subject to the legal limits.

These shares may be purchased at any time, excluding the periods for takeover bids on the Company's share capital, on one or more occasions and by all available means, either on or off a stock exchange, over-the-counter, including the purchase of blocks of shares, or through the use of derivative financial instruments, and, if applicable, by all third parties acting on behalf of the Company, under the conditions stipulated in the provisions of the final paragraph of article L. 225-206 of the French Commercial Code.

Shares bought back may be commuted, assigned or transferred in any manner on or off a stock exchange or over-the-counter, including the divestiture of blocks of shares, in accordance with the applicable regulations.

As own shares do not confer entitlement to a dividend, the amount of the unpaid dividends will be allocated to retained earnings.

This authorization is granted for a period of 18 months starting from the date of this Meeting. It shall be valid as of the date of the Board of Directors' meeting called to decide on the implementation of the share buyback program and, at the latest, as of October 30, 2025. With effect from this date, it will supersede the authorization granted by the fourth resolution of the Ordinary General Meeting of April 30, 2024, with respect to the non-utilized portion of such authorization.

The General Meeting gives full powers to the Board of Directors, with the possibility of sub-delegating such powers, to implement this authorization, place orders for trades, enter into all agreements, perform all formalities and make all declarations with regard to all authorities and, generally, do all that is necessary for the execution of any of the Board's decisions made in connection with this authorization.

The Board of Directors shall inform the General Meeting of any transactions performed in light of this authorization in accordance with applicable regulations.

The General Meeting, deliberating according to the quorum and majority required for Extraordinary General Meetings, having noted the Board of Directors' Report and the Statutory Auditors' Special Report, authorizes the Board of Directors to cancel, via its decisions alone, on one or more occasions, and within the limit of 10% of the Company's share capital per 24-month period, any or all of the shares bought back by the Company within the scope of the authorization adopted by this Ordinary General Meeting in its fourth resolution and of those shares bought back within the scope of the authorization adopted by the Ordinary General Meeting of April 30, 2024, and to reduce the share capital by this amount.

The difference between the carrying amount of the canceled shares and their nominal amount will be allocated to any reserve or additional paid-in capital accounts.

This authorization is granted for a period of 24 months starting from the date of this Meeting. It supersedes the authorization granted by the Extraordinary General Meeting of April 30, 2024, in its seventeenth resolution with respect to the non-utilized portion of such authorization.

Full powers are granted to the Board of Directors, with the possibility of sub-delegation under the conditions set by law, to implement this authorization, deduct the difference between the carrying amount of the shares canceled and their nominal amount from all reserve and additional paid-in capital accounts and to carry out the necessary formalities to implement the reduction in capital which shall be decided in accordance with this resolution and amend the articles of association accordingly.

Sixteenth Resolution *(Delegation of authority granted to the Board of Directors for a period of 26 months to increase the share capital via the issuance of ordinary shares or marketable securities giving access, immediately and/or in the future, to the Company's share capital with retention of preferential subscription rights for Shareholders for a maximum nominal amount of 470 million euros)*

The General Meeting, deliberating according to the quorum and majority required for Extraordinary General Meetings, after having noted the Board of Directors' Report and the Statutory Auditors' Special Report, pursuant to articles L. 225-129 to L. 225-129-6, L. 22-10-49 and L. 228-91 to L. 228-93 of the French Commercial Code:

- delegates to the Board of Directors, with the possibility of sub-delegation under the conditions set by law, the authority to decide, on one or more occasions, in the proportions and at the times it deems fit, with retention of preferential subscription rights, the issue, in France and abroad, in euros, in foreign currencies or in units of account set by reference to several currencies, (i) of ordinary shares of the Company, (ii) of marketable securities governed by articles L. 228-91 et seq. of the French Commercial Code which are equity securities of the Company, giving access to other equity securities of the Company and/or giving entitlement to the allocation of debt securities of the Company and/or (iii) marketable securities representing a claim, whether or not governed by articles L. 228-91 et seq. of the French Commercial Code, giving access to or likely to give access to equity securities of the Company to be issued, with the possibility that these marketable securities may, where applicable, also give access to existing equity securities and/or debt securities of the Company, the subscription of which may be made either in cash or by offsetting against liquid and payable receivables.
The delegation thereby granted to the Board of Directors is valid for a period of 26 months starting from the date of this General Meeting, it being specified, however, that the Board of Directors will not be authorized to make use of it during periods of takeover bids on the Company's share capital;
- decides that the total amount of share capital increases likely to be carried out, immediately and/or in the future, may not exceed a nominal amount of 470 million euros, from which will be deducted (i) the

amount of the issues of shares or marketable securities, in the event of oversubscription, carried out pursuant to the seventeenth resolution below (or any resolution which would replace it at a later date), (ii) the amount of share issues resulting from options or performance shares granted under the eighteenth and nineteenth resolutions of this Extraordinary General Meeting, subject to their approval (or any resolutions which would replace them at a later date), and (iii) the total amount of share capital increases carried out pursuant to the twentieth and twenty-first resolutions of this General Meeting subject to their approval (or any resolutions which would replace them at a later date), this limit being increased by the number of shares necessary for adjustments that may be made in accordance with applicable laws and regulations and, where applicable, contractual provisions providing for other cases of adjustment, to preserve the rights of holders of marketable securities giving entitlement to Company shares; the maximum nominal amount (or its equivalent amount in euros on the issue decision date in the event of an issue in foreign currencies or in units of account set by reference to several currencies) of the marketable debt securities giving access to the Company's share capital issued under this delegation may not exceed a limit of 3 billion euros, from which the issuance amount shall be deducted, where applicable, in the event of oversubscription, carried out pursuant to the seventeenth resolution below (or any resolution that would replace it at a later date);

- decides that Shareholders have, in proportion to the amount of their shares, a preferential subscription right to shares or marketable securities giving access, immediately and/or in the future, to Company shares issued pursuant to this resolution;
- decides that if the subscriptions on an irreducible basis and, where applicable, on a reducible basis, where the Board of Directors has authorized such a possibility, have not absorbed the entire issue of shares or marketable securities as defined above, the Board of Directors may use, in the order it deems appropriate, each of the options offered by article L. 225-134 of the French Commercial Code, or only some of them;
- acknowledges and decides, as necessary, that any decision to issue under this delegation of authority shall entail, to the benefit of the holders of issued marketable securities giving access or likely to give access to equity securities to be issued by the Company, the waiver by Company Shareholders of their preferential subscription rights to the shares to be issued to which these marketable securities will give entitlement immediately and/or in the future;
- grants full powers to the Board of Directors, with the option of sub-delegation under the conditions set by law, to implement this delegation and in particular:
 - determine the price, terms and dates of the issues, as well as the form and characteristics of the marketable securities to be created,
 - set the amounts to be issued, suspend, where applicable, the exercise of Company share allotment rights attached to the marketable securities to be issued for a period not exceeding three months, set the terms and conditions under which will be ensured, where applicable, the preservation of the rights of holders of marketable securities giving future entitlement to Company shares, in accordance with legal, regulatory and, where applicable, contractual provisions, and deduct, where applicable, any amounts from the issue premium(s) and in particular, costs arising from issues,
 - proceed, where applicable, with the admission to trading on a regulated market of the marketable securities to be issued, generally take all necessary measures and enter into all agreements to successfully complete the planned issues, record the capital increase(s) resulting from any issue carried out using this delegation and amend the articles of association accordingly;
- acknowledges that this delegation cancels the delegation granted by the Extraordinary General Meeting of May 3, 2023 in its nineteenth resolution.

Seventeenth Resolution *(Authorization granted to the Board of Directors for a period of 26 months to increase, in the event of oversubscription, the issuance amount of shares or marketable securities)*

The General Meeting, deliberating according to the quorum and majority required for Extraordinary General Meetings, after having noted the Board of Directors' Report and the Statutory Auditors' Special

Report and pursuant to the provisions of article L.225-135-1 of the French Commercial Code, in the event of the issue of shares or marketable securities with retention of preferential subscription rights as referred to in the sixteenth resolution:

- authorizes the Board of Directors, with the possibility of sub-delegation, to increase, under the conditions set by law, the number of shares or marketable securities to be issued with preferential subscription rights for Shareholders at the same price as set for the initial issue, within the deadlines and limits provided for by the applicable regulations, it being specified, however, that the Board of Directors will not be authorized to make use of it during periods of takeover bid on the Company's share capital;
- decides that the nominal amount of the increase in the issue decided under this resolution will be deducted from the first, and, where applicable, in the event of the issue of debt securities, the second limit stated in the sixteenth resolution;
- decides that this delegation of authority granted to the Board of Directors is valid for a period of 26 months starting from the date of this Meeting.

Eighteenth Resolution *(Authorization granted to the Board of Directors for a period of 38 months to grant to employees and Company Officers of the Group, or some of such employees and Company Officers, share subscription options or share purchase options resulting in the waiver by Shareholders of their preferential subscription rights to shares to be issued upon exercise of the subscription options)*

The Shareholders, deliberating according to the quorum and majority required for Extraordinary General Meetings, after having reviewed the Report of the Board of Directors and the Statutory Auditors' Special Report:

- authorize the Board of Directors within the scope of articles L. 225-177 et seq. and L. 22-10-56 et seq. of the French Commercial Code, to grant, on one or more occasions, to employees and Company Officers of the Company or its French and foreign subsidiaries within the meaning of article L. 225-180 of the French Commercial Code, or some of such employees and Company Officers, options conferring entitlement to subscribe to new shares of the Company to be issued pursuant to a capital increase or options conferring entitlement to the purchase of existing Air Liquide shares bought back by the Company;
- decide that the total number of options thus granted for a period of 38 months may not confer entitlement to a total number of shares exceeding 2% of the Company's share capital on the date the options are granted by the Board of Directors, bearing in mind that the number of options granted to the Company Officers, pursuant to this authorization, may not confer entitlement to a total number of shares exceeding 0.2% of the Company's share capital on the date the options are granted by the Board of Directors; the total numbers of shares thus determined do not take into account any adjustments that could be made in accordance with the applicable legal and regulatory provisions in order to preserve the rights of the beneficiaries of the share subscription or share purchase options;
- decide that the maximum nominal amount of share capital increases performed on the basis of this authorization shall be deducted from the overall limit stipulated in paragraph 2 of the sixteenth resolution of this Extraordinary General Meeting (or any resolution which would replace it at a later date);
- set the period of validity during which the options may be exercised at a maximum of 10 years as from the date of their allocation by the Board of Directors, and grant full powers to the Board of Directors to set a shorter period;
- decide that this authorization is granted for a period of 38 months as from the date hereof. It shall entail an express waiver by the Shareholders of their preferential subscription right to the shares that shall be issued as and when the options are exercised in favor of the share subscription option beneficiaries;
- decide that the Board of Directors, within the limits provided for by law and this resolution, shall set the conditions under which the options will be granted, as well as the list of beneficiaries and the number of options offered, and shall determine the subscription or purchase price of the shares, which may not be lower than the average of the opening trading prices for the 20 trading days prior to the date when the option is granted, rounded down to the nearest euro, nor for share purchase

options, the average purchase price of the Company's treasury shares, rounded down to the nearest euro. This price may not be modified unless the Company were to carry out one of the financial or securities transactions provided for by law. In such a case, the Board of Directors would, according to regulatory conditions, adjust the number and price of the shares covered by the options granted, to take account of the impact of the transaction; it may also, in such a case, if it deemed this necessary, temporarily suspend the right to exercise the options during the aforementioned transaction;

- grant full powers to the Board of Directors, with the option of sub-delegation under the conditions set by law, to, where applicable, deduct the share capital increase costs from the amount of additional paid-in capital relating to such increases, complete or have completed all actions and formalities in order to record the share capital increase(s) resulting from the exercise of share subscription options, and amend the articles of association accordingly.

This authorization supersedes the authorization granted by virtue of the twentieth resolution of the Extraordinary General Meeting of May 4, 2022, for its unused portion.
