THE AIR LIQUIDE ADVANTAGE

An educational comic book (in french only) offered to minor Shareholders who hold direct registered shares.

Available in four versions to suit different ages, it is mailed to our youngest Shareholders to introduce them to the stock market and Air Liquide's business activities.

GOOD TO KNOW

For Shareholders holding direct registered shares: documents to download or send

On the airliquide.com website, you may download forms for **"Hand-to-hand gift"** and **"Customary gift"** under the *Investors section > Essential documents*. In the event of a gift witnessed by a notary, remember to send your Shareholder Relations advisors a copy of the notarized documents.

A few examples

A shared gift with division of ownership rights (Inter-vivos distribution donation) allows you to pass on your shares while continuing to receive the dividends, or usufruct. Usufruct may be full or partial, and gift duties are reduced as they are based on the bare ownership value of the gift.

A ban on giving up the shares prevents the shares from being sold or gifted for a period set by the grantor.

The right of return allows the grantor to take possession of the shares again if the grantee (beneficiary) dies first.

In all cases, do not forget to **leave instructions** or **documents** for **your beneficiaries**.
