

Air Liquide issues €500 million of bonds

The Group has issued a Eurobond with the following characteristics:

Amount: €500 million

Issuer: Air Liquide Finance S.A.

Maturity: June 3, 2025

Settlement: June 3, 2015

Format: fixed rate, repayment at maturity

Coupon: 1.25% p.a

This transaction, issued under the Group's €9 billion Euro Medium Term Note (EMTN) programme, allowed the **issue of a €500 million bond with a 10-year maturity**. This recent transaction brings the total outstanding amount of bonds issued to this day to approximately € 6.2 billion, with an average maturity of 6 years.

Proceeds from this bond will allow the Group to refinance its two bonds maturing in June 2015, and to continue funding its long term profitable growth while benefiting from very attractive market conditions. The Group's capital structure remains very solid and this operation further strengthens the liquidity of the Group.

The bond issue is rated "A+" by Standard & Poor's, consistent with the Group's credit rating of "A+ / stable outlook".
