Air Liquide is the world leader in gases for industry, health and the environment, and is present in 80 countries with close to 50 000 employees. Oxygen, nitrogen, hydrogen and rare gases have been at the core of Air Liquide's activities since its creation in 1902. Using these molecules, Air Liquide continuously reinvents its business, anticipating the needs of current and future markets. The Group innovates for the good of society while delivering profitable growth and consistent performance.

Skid Tank

Smart bulk supply solution

ALIGAL, ALPHAGAZ, ARCAL, FLAMAL, LASAL are Air Liquide's trademarks. November 2013 - Design Galboe (+33 1 40 62 50 65)

FEATURES

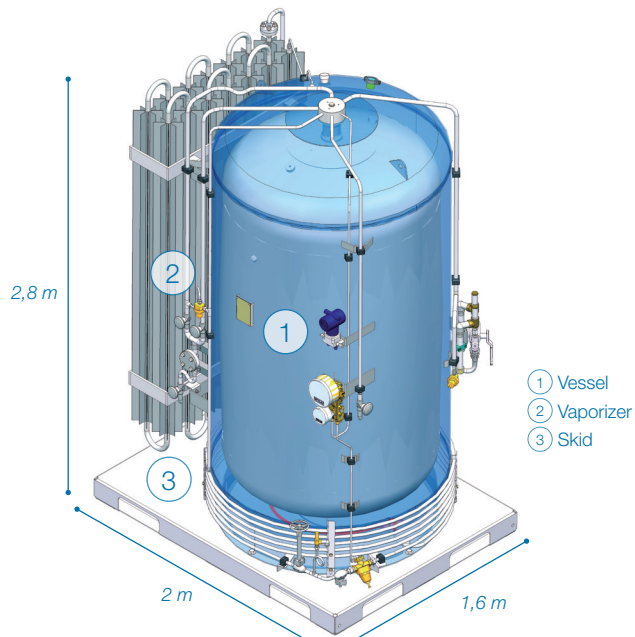

The right fit for your gas consumption

Compact air gas cryogenic vessel

- Integrated storage and supply system
 - Cryogenic vessel
 - Ambient vaporizer
 - Skid serves as foundation
- Less than 4m² footprint

Sized according to your needs

- Gas consumption from 400 to 4 000 Nm³/month
- 2 000 L and 3 000 L storage capacity
- Operating pressure from 1 to 32 barg
- Normal flow rate up to 130 Nm³/h
- Gaseous or cryogenic liquid usage

Skid Tank 3000 L 16 barg (PED compliant)

GAS SUPPLY

Benefits from Air Liquide expertise in Bulk logistics

- Reliable and flexible bulk supply ensured by Air Liquide world class logistics: large fleet and vast infrastructure
- Automatic re-ordering with telemetry

Available for air gases

- Nitrogen, Argon, and Oxygen
- Compatible with Air Liquide Dynamic On-site Mixer

Best-fit solution for your applications with AL premium offers:

LASAL™ - Product range for laser welding & cutting

ARCAL™ - Dedicated range for arc welding

ALPHAGAZ™ - Specialty gases for analytical use

ALIGAL™ - Food grades, HACCP compliant

FLAMAL™ - Product range for flame applications

INSTALLATION

Quick and easy installation

- 1 — Delivered all-in-one
- 2 — Installed and connected by Air Liquide
- 3 — Ready for first fill by Air Liquide

➔ Air Liquide Skid Tank ready to use at your site by noon!

Air Liquide Skid Tank: your safe and reliable bulk supply solution
